## **IPad Guide:**

IPad Pro User Guide For Beginners Джим Вуд, 2021-05-18 This book will help you explore some features of your iPad Pro that you probably didn't know existed and also get you started on your device in no time. You can also buy it as a gift for that son or daughter of yours who already like fiddling with devices; this book will get him or her up to speed in no time. A Comprehensive User Guide and Manual for New Users of the iPad Pros. Even though iPad Pros are great right out of the box, you are likely to get more from them if you know how to use them by reading a book like this one. So if you are someone who has recently acquired the new iPad Pro and now needs guidance on how best to take advantage of its many features that are not immediately obvious to ordinary end users. Or you may even be someone who is not new to the Apple ecosystem but only just made an upgrade from previous versions of the iPad and it is beginning to seem as if Apple has completely changed the interface and removed or relocated some of your previous favorite features, then this book was written with you in mind. We all know that the iPad Pro from Apple remains one of the world's most renowned flagships; when set up properly, it can become more than being just a phone. You can use it as a productivity tool in your business, you can make it an indispensable social media aide, e-book reader, and a travel companion. All these can become possible once you learn how to better utilize the iPad Pro. This book has been written as a step-by-step guide for you to go through what you need to navigate around the iPad Pro. It covers many of the important features that users need to know and allows users to jump to any section of the book that they feel they want to focus on. That means the guide is written in a way that even if you do not want to follow the order in which it was written, you are still able to make the most of it. Some of the included contents: Simple and easy to understand step-by-step instructions on how to first setup your device. Latest tips and tricks to help you enjoy your device to the fullest. Using the Face ID. Hidden features. Organizing apps with the App Library. Buying, removing, rearranging, and updating apps. Taking, editing, organizing, and sharing photos. Introducing some important Apple Services. Using Siri. And lots more. **A Newbies Guide to iPad Pro, iPad Air 2 and iPad Mini 3** Minute Help Minute Help Guides, 2015-11-25 This guide is designed for novices and advanced iPad/iOS users alike. The tips and instructions here are tailored to the three most recent iPad models: iPad Pro, iPad Air 2, and iPad Mini 4, and iOS 9, but you'll find plenty of relevant information for older iPad models and older versions of the iOS software. We've broken things down into six major parts: Part 1: Meet Your iPad will help you unpack the box, learn how to interact with your iPad, and breeze through the set-up process. Part 2: Getting to Know Your iPad will introduce you to the basic features and navigational system of the device. Part 3: Mastering Your Preinstalled Apps will walk you through the twenty preinstalled apps in detail to help you master what's available right out of the box. Part 4: Making It Your Own guides you through customization and personalization. Part 5: Maintenance and Security will help you keep your iPad healthy and safe. Finally, Part 6: Must-Have Apps for Your iPad includes a list of 49 of our favorite apps we hope you like them as much as we do. There's a lot of information here, and don't feel like you need to absorb it all at once.

Think of this guide as a friendly support system for you as you learn to use and enjoy this incredible technology. If you're new to iPad or to iOS, start by reading through Parts 1 and 2. This should get you on your feet. Be sure to look at Part 5 to learn how to care for your new iPad. You may want to use Parts 3, 4, and 6 as reference material. Rather than reading them straight through from start to finish, browse the table of contents for the information most helpful to you. These chapters will also be helpful for experienced users who want to get the most out of iPad and iOS 9.
