Paulson, 2025-08-01 I'm Alex a tough as nails motorcycle repo specialist who can handle any angry customer except apparently one mysterious artist named Alexander Glass His packages

keep showing up at my house and I m getting tired of playing unwilling mail service So I do what any reasonable woman would do I track him down Big mistake Xander Glass is brooding talented and completely unimpressed by my arrival on his doorstep with an armload of his misdelivered art supplies He s also devastatingly attractive in that tortured artist way that should come with a warning label Even bigger mistake I can t seem to stay away What starts as returning packages turns into fixing his equipment which turns into watching him work which turns into feelings I definitely didn t sign up for But every time we get close his sophisticated ex wife appears to remind me that girls like me don t belong in his refined art world She s probably right I mean what does a motorcycle mechanic know about gallery openings and Italian art residencies But when Xander gets the opportunity of a lifetime six months studying in Florence everything changes Now I have to decide am I brave enough to follow my heart across an ocean or will I let fear send me back to my safe solitary life Sometimes the best love stories start with the wrong address *truelesbianlove.com* Carsen Taite,2008-10-20 Everyone knows true love is just a fantasy right Mackenzie Lewis friends think she is destined to grow old alone because even though she is a successful business woman fun to be with and great looking the only women she meets are the ones in the romance novels she devours or while tagging along on dates with her best friend Jordan Mac wants the kind of love she reads about and that her parents storybook love proves exists and she intends to wait for it Mac s best friend Dr Jordan Wagner a successful gorgeous plastic surgeon has encountered lots of women and she has enjoyed every one She is not interested in growing old with any of them though and her past losses only confirm her choice is the right one At the first sign of commitment she is on to the next On a dare from their pals Mac and Jordan decide to look for matches on the Internet As they wind their way through the Web seemingly looking for completely different things both women discover true love is far different than they imagined

Ultimately Mac and Jordan discover *truelesbianlove* is closer than a click away **The Sheikh's Diamond** Leslie North,2016-06-28 True love is priceless or is it Sheikh Masoud Khalidizack is terminally bored by palace life With his elder brother inheriting his father s responsibilities and his younger brother treating life like one big party he often feels left behind When a family friend suggests a bet to see which brother will be left unwed at the end of the year Masoud thinks it is impossible to lose and he s already making plans on what to do with the prize Muharraq Island That all changes with the arrival of headstrong Fleur Summers a beautiful archaeologist bent on finding the legendary Solomon Diamond It was once part of the Khalidizack family s heritage but now it is lost to history Her reputation depends on finding it and putting it into a museum but the distractingly handsome Sheikh who hired her certainly isn t helping In fact Masoud intends to restore the diamond to its rightful place in the Khalidizack palace Now they have to overcome their mutual mistrust and simmering attraction to find the artifact that could bring glory to them both In a race against ruthless rivals that spans continents finding the prize will bring them together or destroy one of their lives *A Prime's Passion* Shiloh Walker,2021-09-20 Eyes down little wolf In her world the strong were broken young or they didn t survive Eyes down little wolf Zee s father would say

You aren't strong enough yet Zennia Day kept her eyes down and stayed quiet knowing that one day she'd escape. When her chance comes she finds herself on a road that takes her far from Massachusetts all the way to North Carolina. She has her eyes on the future until she meets Niko a dominant Therian male and future Prime. When she looks at him instead of a challenge for dominance Zee sees a promise of forever. Niko charmed her, teased her and stole her heart. Mere days later after making a public permanent claim he crushed that same heart in his fist, tossing her aside in front of the entire world and casting her out of pack lands. Ten years later she's an outcast living far from her own when she gets word her father is dying. She can do nothing she was banned. Violating Niko's order was to court punishment even if it was just to tell her father good bye. Day is dying. The blunt words almost had him on his knees until Niko realized his second in command wasn't talking about Zee but her father. No Therian is ever left to die alone so Niko sent orders the Day family to come home. Niko is unprepared for Zee's message I have no pack I have no home. The words leave him shattered. Realizing what he'd done in his rage Niko pushes harder for answers. It doesn't take long to discover that what he'd heard a decade earlier had been based on lies. Because of those lies he'd thrown away the love of his life. Zee's been paying the price ever since. Now he must mend a heart he'd broken and convince her to give him one more chance.
