### **The Romance Rivalry**

Susan Lee, 2025-05-13 USA TODAY BEST SELLER She's read every romance except her own. Clever and delightful, a standout in the genre. KIRKUS STARRED REVIEW A must have flirtation via tropes tale with all the swooning and joy readers want in a love story. SCHOOL LIBRARY JOURNAL STARRED REVIEW Susan Lee has written an ode to all romance readers. It's the kind of book I've been wanting to read for decades: a love letter to love stories and an instant favorite. Ali Hazelwood (New York Times bestselling author of *The Love Hypothesis*) Irene Park loves romance novels so much so she's made a career of them as an online book reviewer with a massive following. But Irene's real life dating story Non-existent. So when she starts her freshman year of college she sets her sights on finding true love using the one thing she really understands: romance book tropes. If only it were that easy. Enter Aiden Jeon: Irene's online book review rival and biggest nemesis. When Aiden challenges her to see who can find love by trope first, he becomes the one person standing in her way to getting everything she wants both professionally and personally too. So when the competition takes an unexpected turn forcing the two of them to have to partner in the ultimate trope fake dating, Irene is not prepared for everything she believed about romance and Aiden to flip on its head. As Irene tackles the challenges of college life, struggles to figure out what she really wants for herself all while trying to win the race for love, Irene realizes the answers may not be found in a romance novel. Happily Ever Afters seem so easy on page. But for Irene to find her ultimate HEA she'll have to get her nose out of the book and become the main character of her own story. Perfect for fans of *Enemies to Lovers*, *Fake Dating*, *College Rom Coms*, *Banter for Days*, *A Pop Culture References*, *Books about loving books*.

### **The Rebel's Prize: A Romantic Fantasy Novel**

M.J. Scott, 2023-10-17 Enjoy this romantic historical fantasy series from RITA Award nominated author M.J. Scott. Hunting traitors is easier than facing the man she never meant to love. In the wake of treachery and broken bonds, Chloe de Roche has fled Illvyra and a marriage that was never supposed to be real. To hunt the rebel mages trying to topple the empire, bringing them to justice is the only way to clear her name and salvage something of the life she's been fighting for. But leaving Lucien behind might be even harder than finding the truth about the treachery buried in the heart of the empire. Faced with Chloe's desertion, magic that undermines his ability to know the truth and a threat to the emperor, he is sworn to serve. Lucien de Roche is reeling. But even though his hopes that Chloe might grow to love him have been shattered, he can't turn his back on his wife. Bound by vows and honor, he has no choice but to follow her, even if she might break his heart. Defeating those who seek to tear their

world apart will not only take all their powers but an admission that they are stronger together than apart But are they willing to risk their lives and their hearts to save an empire The Rebel's Prize is the third book in the Daughter of Ravens series a new romantic historical fantasy series from RITA Award nominated author M J Scott set in the same world as the Four Arts series This series has old friends turned enemies and then enemies to lovers a heroine looking for a second chance a smitten hero political intrigue royal witches inconvenient marriages sexy times and more Enjoy Author's note For tropes and CW please check the author's website KEYWORDS Romantic fantasy series third book in series romantic fantasy gaslamp fantasy political fantasy romance royal romance magic witches enemies to lovers second chance romance marriage of convenience protector hero romance historical fantasy continuing relationship romance complete trilogy romantasy

**Sweet Tempo** James P. Kain, 2009-05 From the Prologue of Sweet Tempo

Call me Stephen Please Mom and dad call me Little Stevie an embarrassment made worse by the fact that there is no Big Stevie in our family unless you consider Uncle Steve who we haven t seen since my first communion My dad Leopold by the way named me after one of his army buddies who died in the Pacific campaign of WWII I think he wanted me to be Little Stevie reincarnated or something I often disappointed him It s just as well that he didn t call me Little Leo But it s having the Little attached to me all my life that gave me twitches I always wondered when I would grow up I thought it might happen when I first went to college but my mom s letters and phone calls spread the name through all the dorms and hallways It took a major decision the only one at that for me to step out of Little Stevie s pantaloons and into gabardine trousers of adulthood although I really don t know what gabardine is for I still wear denim When I decided that I had enough of college and wanted to travel they surprised me by not arguing At that point I wasn t sure if I had made the decision or they had but once they set me free I was cornered into going Decisions do not come easily to Little Stevie so it was with great ironies and twists of fate that this decision would lead me to this My trip began as an adventure and this book a travelogue But as Providence would

have it it soon became a romance and then some twisty sort of unromance then I wish it never happened a tragedy The reader I hope sees a comedy in tragic guise the irony is there to taste Much that is written here need not have been written my preference is that none of it occurred At this point much seems like a nightmare within a dream and in fact the dreams I had while on this trip were as real as sin You ll see There are times that I wonder if it happened at all But the story here needs to be told if only to honor the memory of love lost Perhaps the story will entertain but it also serves as therapy and treatment for the tragic minded and chronically romantic I wonder now if this is what it means to grow up *In Five Years* Rebecca Serle,2020-03-10 A NEW YORK TIMES BESTSELLER A Good Morning America FabFitFun and Marie Claire Book Club Pick *In Five Years* is as clever as it is moving the rare read in one sitting novel you won t forget Chloe Benjamin New York Times bestselling author of *The Immortalists* Perfect for fans of *Me Before You* and *One Day* a striking powerful and moving love story following an ambitious lawyer who experiences an astonishing vision that could change her life forever Where do you see yourself in five years Dannie Kohan lives her life by the numbers She is nothing like her lifelong best friend the wild whimsical believes in fate Bella Her meticulous planning seems to have paid off after she nails the most important job interview of her career and accepts her boyfriend s marriage proposal in one fell swoop falling asleep completely content But when she awakens she s suddenly in a different apartment with a different ring on her finger and beside a very different man Dannie spends one hour exactly five years in the future before she wakes again in her own home on the brink of midnight but it is one hour she cannot shake *In Five Years* is an unforgettable love story but it is not the one you re expecting
