**Surviving Evidence: Memoir of an Extreme Haunting Survivor** Christopher DiCesare, 2016-12 DiCesare's view of life was forever changed by a series of horrifying events in and around his dorm room C2D1 of Erie Hall. From early February through late April of 1985 he and his college friends would endure what is now called The C2D1 Haunting. Apparitions sighted, strange voices heard, moving objects witnessed, and physical attacks all became part of the ordeal shared by Chris who quickly became the focal point of the haunting. Featured on the SyFy channel's show *School Spirits*. Please talk with me premiered at SCARE A CUSE on September 14th 2012 along with a companion book by the Rev Tim Shaw. Historic relevancy, individual morality, and the application of the paranormal experience in relation to free will are all deftly addressed in the context of the ten week haunting by the person who witnessed it first hand and survived it. *SNAP: The World Unfolds*,

Life has been too exciting here. I had an overnight stay in the Castle prison, a badge of honour for a Quaker. Thy father would say thanks to an unfriendly judge. I was stunned out of my wits and thrown into the River Wensum by a man who is now a fugitive from the law. That same unfriendly judge fished me out of the river so all is forgiven him. I have written to Wm Scorby to reassure him about his daughter Alice's good health. She is back working for Mrs Varley and is cleared of all suspicion that she tried to harm her. The true culprit is now proven to be Ambrose Flamborough, son of the Varley family lawyer. Bill need fret about Alice no longer. Thy term as sole High Potentate of Bowen Sons is about to come to an end. Expect your brother and me late Wednesday. The Quizilla Mibba and Wattpad classic is finally in print. The tale of Melany and her adventure into her other life. When a black winged angel breaks through Melany's window and lands on her bedroom floor, things begin to change. And so Melany met Sorter, the angel, but this isn't just a onetime encounter. The angels refuse to leave her alone. The next day Sorter and Zeke, another angel, appear on the street ready to go to school with her. Zeke seems to be as nice as an angel should while Sorter threatens to kill her if she tells anyone about them. Melany does not realize there might be a deeper reason to them being there or that she could be in the middle of a war between angels and demons. Her life is changed forever as Melany is exposed to portals and travels to their world. She becomes aware of the threat humanity is facing. But Melany has a destiny that could end the war, save her friends, her people, and allow her to go home finding happiness in her own world. What will be
