Dear [Mr. /Mrs. /Ms.] [Manager's Name],

Kindly accept this application from a highly enthusiastic, motivated, and knowledgeable professional who wishes to apply for your Marketing Manager position.

I bring real life experience leading multi-disciplinary teams while delivering actionable solutions in the form of marketing reports, overall campaign effectiveness, customer analytics, segmentation, and insights.

Currently, in my role at Claydon Heeley as a Business Consultant, I have successfully increased sales from \$8,000 to \$25,000 in ten months. I'm fiercely competitive in my approach, and I can handle complex situations from both a strategic and a tactical perspective. As a Digital Marketing Expert, I increased followers on social media by 150% and grew overall sales by \$45,000.

Additionally, I am able to identify, exploit, take advantage of, and fully develop any marketing opportunity that comes my way. With my previous employer—The Boston Herald—I constantly exceeded all goals, and I was valued for my ability to deal with complex situations by coming up with unique and fresh solutions. I was responsible for managing sales projects, implementing cost-saving programs, and forging enduring relationships with local organizations.

I have over 6 years of experience in this sector. I'm keen to join your company as you offer applicants an array of impeccable career and growth opportunities. I possess excellent management skills including negotiating, client relationship, resolving disputes, and critical thinking.

I would be grateful for the opportunity to showcase my abilities further at a personal interview. Please feel free to contact me.

Sincerely,

[Your Name]
