Like Nobody's Business Andrew C. Comrie, 2021-02-23 How do university finances really work From flagship public research universities to small private liberal arts colleges there are few aspects of these institutions associated with more confusion myths or lack of understanding than how they fund themselves and function in the business of higher education Using simple approachable explanations supported by clear illustrations this book takes the reader on an engaging and enlightening tour of how the money flows How does the university really pay for itself Why do tuition and fees rise so fast Why do universities lose money on research Do most donations go to athletics Grounded in hard data original analyses and the practical experience of a seasoned administrator this book provides refreshingly clear answers and comprehensive insights for anyone on or off campus who is interested in the business of the university how it earns its money how it spends it and how it all works

Mission and Margin Daniel Diermeier, Brett C. Sweet, 2025-12-25 An insider's guide to university finances for non insiders The finances of higher education have never been more challenging From two year institutions to the Ivy Leagues from department chairs to provosts administrators face revenue shortfalls and financial insecurity A fundamental understanding of financial management is more essential than ever for university leaders at every level as is a true partnership between academic leaders and their CFOs In *Margin and Mission* Daniel Diermeier and Brett Sweet distill the principles for successful financial management in higher education based on their work together at Vanderbilt University Their concise practical guide develops the reader's understanding step by logical step with the help of real world examples *Margin and Mission* aims to give university leaders from board members to department chairs the knowledge to make sound economic decisions that preserve their institutions purpose even in the face of uncertainty

The Sports Scholarships Insider's Guide Dion Wheeler, 2009-04-01 The 1 book on sports scholarships completely updated and revised 1 billion of athletic scholarships are awarded each year But student athletes who aren't big time recruits miss out on tens of thousands of dollars of financial aid available to them The problem is students and parents don't know where the money is or how to get it Discover the secrets to getting a sports scholarship Over seventeen hundred colleges offer athletic programs Over 500 000 athletes participate in sports in the nation's college programs But less than 1% about 4 000 of them get Division I full ride financial aid grants The truth is 80% of all college athletic opportunities are located outside Division I But to seize those opportunities you must take control of your own recruiting process recruiting research and homework exposure and promotion and negotiating all in the environment of a high stakes contest where only the opposition knows the rules This book will give you the edge If you aren't one of the 4 000 but are athletically and academically qualified to participate in college sports *The Sports Scholarships Insider's Guide* will lead you step by step through the twists turns and all too often unpleasant surprises to achieve your ultimate goal of a roster position and financial aid for your athletic ability Practical step by step information in a clear and conversational manner School Library Journal Dion Wheeler former coach and recruiting
