 Matthew Joseph Brouillette,1999 This primer explains school choice historically reviewing the origins and growth of tax  
 funded schools nationwide and how they became synonymous with public education It examines the rise of government  
 funded and operated schools in Michigan through the efforts of Isaac Crary and John Pierce and describes the negative  
 effects of a 1970 state constitutional amendment that severely restricts parents ability to exercise school choice The primer  
 demonstrates the failure of many past and present education reforms including ever increasing funding to significantly  
 improve the quality of government education and it explains different types of school choice including intra and inter district  
 choice charter schools tuition vouchers and tax credits Finally it evaluates the progress of school choice programs available  
 nationwide identifies individuals and organizations who support oppose or are ambivalent to greater school choice in  
 Michigan and outlines strategic plans that parents and other concerned citizens can follow to get involved in efforts to  
 improve education through greater school choice Appendixes include a glossary a sample illustration of how to advocate for  
 school choice with letters to the editor of local newspapers and a list of where to go for more information on this and other
