[Chinese Philosophy A-Z](#) Bo Mou, 2009-07-09 A concise alphabetic guide to the main concepts figures topics and important movements of thought that have shaped Chinese philosophy over the last three thousand years. The entries are concisely written and cross referenced and transcriptions are typically given in the pinyin system. Chinese Philosophy A-Z stresses philosophical relevance in choosing entries while paying due attention to historical links between relevant ideas and movements of thought. The volume also shows how some of the central ideas under discussion contribute to the philosophical enterprise as a whole. The book is aimed at students teachers of philosophy and educated non specialists who are interested in Chinese philosophy particularly those readers new to Chinese philosophy
