**Through My Eyes: Sketches From A Cop's Notebook** O. P. Singh, 2025-04-28 This book is a collection of personal anecdotes that offer a deeper look into the life and experiences of the author. Following the success of his memoir *Crime Grime and Gumption* 2024 many readers encouraged him to share more the candid, insightful and sometimes unexpected moments that shaped his journey. This book is a response to that encouragement. Spanning from childhood to his years in the police service these stories bring to life encounters with political figures, memorable incidents from his career and reflections on human nature. The narratives are not just about events but about the emotions, lessons and perspectives gained along the way. Told with honesty and simplicity this book captures the essence of a life filled with purpose, resilience and learning. Whether lighthearted or profound each story offers a glimpse into the past while inviting readers to find connections to their own experiences. This book is a tribute to the power of moments and the richness they bring to our lives.

[Eyes of the Insane](#) Eric Vik, 2011-09-08 Friends get together to go on an expedition in the mountains of Norway to learn more about the habits of the Scandinavian wolves. One of them comes across a map with some frightening notes written on it. The notes indicate that there are Trolls in that mountain area and they are far from how they are described in Norwegian fairytales. The notes describe them as blood-thirsty predators. The friends start disappearing one after the other and they soon find out that they are being hunted. The sole survivor of the Expedition is locked away in a psychiatric ward because the authorities think he is the murderer but they don't have any evidence to get him convicted and put in jail. He tells his tale and soon reveals that he has done much more than the police would be interested in. He is Europe's most wanted criminal but no one knows who he is until his confession was published by a student that he convinces to help him. The reason for his confession turns out to be his broken heart. Broken because one of his victims was his girlfriend that he killed unintentionally. After confessing to many unsolved murders and murders that the police didn't even know occurred he goes back and tells the true story of what happened to the 8 friends on their expedition.
