Becoming a Great School Dr. Kenneth B. Cooper,Nels Gustafson,Joseph G. Salah,2013-12-24 In education we are working on behalf of a truly noble cause the lives of our students We need a system for working together that is worthy of the work one that harnesses the idealistic visions and inherent energies that brought us to education in the first place Becoming A Great School prepares you to create that system The authors challenge top down leadership as a vestige of the past which fails to fully engage today s teaching professionals They explain why the following structures are essential to school revitalization an intrinsically motivated energized workforce functioning smoothly together as a team a clear focus which inspires cohesion and a sense of purpose and a process which gradually renews the school s educational systems piece by piece The outcome is a stronger revitalized more effective extraordinary school and it is all accomplished from within Ken Nels and Joe reveal the quality management principles and collaborative leadership skills that led to amazing results for them while detailing the practices necessary for educators to achieve the same outcomes in their schools Become the leader you imagined yourself to be while creating the school you always wanted to work in
