Thrive Dare To Live Like Jesus Higher Series:

Thrive Kevin Johnson,2009-12-15 Sadly studies show that there are few differences in the attitudes and actions between people who claim to be Christians and those who don't choose that label But everything we read in the Bible says we should be transformed we should be different than the rest of the world What would it look like if you lived the life God desires for you How would your life be different if you abandoned your typical routine and refused to settle for anything less than the best God has in store for you In Thrive you'll find 20 life impacting studies that will draw you into the Bible and help you understand who you are and who God wants to help you become You'll discover what the Bible says about how God made you what kind of life he has planned for you and how you can survive the tough times of your life Even if you struggle to keep your faith alive at times God wants to help you thrive The reality is God loves us just the way we are but he also loves us too much to leave us that way

Soar Kevin Johnson,2009-10-06 When you stop to think about your future you might be excited Or confused Or just totally scared But when you know where you're going or at least who's leading you towards your future you can take that giant leap with confidence With all the influences in your life pushing you one way or another it's good to know that you can count on God to guide you once you catch on to his plans Nobody expects you to have it all figured out by the time you finish this book But you'll be on your way to understanding who you are and how you can make the most out of your life In Soar you'll find 20 hands on studies that provide vital insights into how God made you and how he plans to lead you step by step through life You'll be better able to prioritize the important things in your life you'll know what it means to be a willing follower of God and choose to go his way because you want to and you'll discover how to live without fear of the future because you're never alone on the journey Even when you have no idea where your life is headed you can take comfort in the fact that God does
