Through It All Reflections On My Life My Family And My Faith:

Through It All Christine King Farris,2009-01-13 Through It All a unique intimate portrait of the Kings one of America s most extraordinary families is written as only a beloved elder sibling of Dr Martin L King Jr could with insight tenderness and wisdom Christine King Farris the only sister of Dr King and his brother A D is the surviving member of the family that together stood for the rights of all Americans at the forefront of the civil rights movement They come from a long line of African Americans in the South who combined education and conviction not only to survive against the odds but to make life better for themselves and those around them especially the poor She offers a rare opportunity to learn more about the man behind the myth as she describes Martin Luther King was no saint ordained as such at birth Instead he was an average ordinary man called by a God in whom he had deep and abiding faith to perform extraordinary deeds The revelatory glimpses into her childhood with Dr King are heartwarming Her memories of and insight into her family s early years including the brutal murder of their mother in church and the drowning of their youngest brother are startling Ms Farris has led a fascinating life not only as the sibling of one of America s most internationally celebrated leaders but in her own right as a wife and mother activist and career educator who has put in more than fifty years of service at Spelman College in Atlanta Georgia Her children s book My Brother Martin was described by Kirkus Reviews as a window to show Martin as a small boy in a loving extended family Through It All Christine King Farris s first memoir opens doors to let readers of all ages into her life her family and the faith that allows her in the ninth decade of her life to still stand for all the principles that make America great

Unsung Legacies of Educators and Events in African American Education Andrea D. Lewis,Nicole A. Taylor,2019-01-07 This book describes the contributions of twenty two educators and events that have shaped the field of education often receiving little to no public recognition including Edmonia Godelle Highgate Nannie Helen Burroughs Selena Sloan Butler Alonzo Aristotle Crim Sabbath Schools and African American Boarding Schools These individuals and events have established and sustained education in communities across the United States This book will help foster a renewed sense of importance both for those considering teaching and for teachers in classrooms across the country

Revives My Soul Again Lewis V. Baldwin,Victor Anderson,2018-11-01 MLK and the Practice of Spirituality The scholarship on Martin Luther King Jr is seriously lacking in terms of richly nuanced and revelatory treatments of his spirituality and spiritual life This book addresses this neglect by focusing on King s life as a paradigm of a deep vital engaging balanced and contagious spirituality It shows that the essence of the person King was lies in the quality of his own spiritual journey and how that translated into not only a personal devotional life of prayer meditation and fasting but also a public ministry that involved the uplift and empowerment of humanity Much attention is devoted to King s spiritual leadership to his sense of the civil rights movement as a spiritual movement and to his efforts to rescue humanity from what he termed a perpetual death of the spirit Readers encounter a figure who took seriously the personal interpersonal and sociopolitical aspects of the Christian faith thereby

figuring prominently in recasting the very definition of spirituality in his time King's holistic spirituality is presented here with a clarity and power fresh for our own generation [Martin Luther King, Jr., and the Theology of Resistance](#) Rufus Burrow, Jr., 2014-11-19 It has been nearly fifty years since Martin Luther King Jr was assassinated at the Lorraine Motel in Memphis Tennessee Appraisals of King's contributions began almost immediately and continue to this day The author explores a great many of King's chief ideas and socio ethical practices his concept of a moral universe his doctrine of human dignity his belief that not all suffering is redemptive his brand of personalism his contribution to the development of social ethics the inclusion of young people in the movement sexism as a contradiction to his personalism the problem of black on black violence and others The book reveals both the strengths and the limitations in King's theological socio ethical project and shows him to have relentlessly applied personalist ideas to organized nonviolent resistance campaigns in order to change the world Instructors considering this book for use in a course may request an examination copy here

Behind the Public Veil Lewis V. Baldwin, 2016-06-03 What was Martin Luther King Jr really like In this groundbreaking volume Lewis V Baldwin answers this question by focusing on the man himself Drawing on the testimonies of friends family and closest associates this volume adds much needed biographical background to the discussion as Baldwin looks beyond all of the mythic messianic and iconic images to treat King in terms of his fundamental and vivid humanness Special attention is devoted to King's personal insecurities and struggles his humility and affinity to common people his delight in pleasant and passionate conversation his insatiable love for the precious but ordinary things of life his robust appetite for artfully prepared and delicious soul food his enduring appreciation for music and dance his cheerful and playful attitude and spirit his abiding interest in games and sports and his amazing gift of wit humor and laughter King emerges here as an ordinary human being who enjoyed and celebrated life to the fullest but was never bigger than life Here we see the personal qualities of King as a real fleshly human being and also as a man shaped by his social and cultural experiences and locations This book reclaims the man behind the mythology

Reflections of God's Grace Michelle Hanna, 2016-07-27 Reflections of God's Grace is a collection of devotional messages that have simple yet profound illustrations for Godly living They are reminders for many of us of what we have learned through sermons songs and Scripture Each devotion has a group of scriptures to support the message because God's Word is most important Psalm 119:11 says Thy word have I hid in mine heart that I might not sin against thee These devotions will challenge you to examine your heart and your walk with the Lord and help you become a brighter Reflection of God's Grace

Georgia Women Kathleen Ann Clark, Ann Short Chirhart, 2014-07-15 Women were leading actors in twentieth century developments in Georgia yet most histories minimize their contributions The essays in the second volume of Georgia Women edited by Ann Short Chirhart and Kathleen Ann Clark vividly portray a wide array of Georgia women who played an important role in the state's history from little known Progressive Era activists to famous present day figures such as Pulitzer Prize winning author Alice Walker and former First Lady Rosalynn Carter Georgia

women were instrumental to state and national politics even before they achieved suffrage and as essays on Lillian Smith Frances Pauley Coretta Scott King and others demonstrate they played a key role in twentieth century struggles over civil rights gender equality and the proper size and reach of government Georgia women s contributions have been wide ranging in the arena of arts and culture and include the works of renowned blues singer Gertrude Ma Rainey and such nationally prominent literary figures as Margaret Mitchell Carson McCullers and Flannery O Connor as well as Walker White many of the volume s essays take a fresh look at relatively well known figures readers will also have the opportunity to discover women who were vital to Georgia s history yet remain relatively obscure today such as Atlanta educator and activist Lugenia Burns Hope World War II aviator Hazel Raines entrepreneur and carpet manufacturer Catherine Evans Whitener and rural activist and author Vara A Majette Collectively the life stories portrayed in this volume deepen our understanding of the multifaceted history of not only Georgia women but also the state itself **Ebony**,2009 **New Books on Women, Gender and Feminism**,2010 **New Books on Women and Feminism**,2010 **Friends' Intelligencer and Journal**,1891 **Diverse Issues in Higher Education**,2008 **Young Israel**,1899 **Reflections of Innocence** Kevin Lavin,2001 **Christian Standard**,1905 **The Congregationalist**,1927 **The Friend**,1889 **Chambers's Cyclopædia of English Literature** Robert Chambers,1910 **Christian Science Sentinel**,1914 **Chambers's Cyclopædia of English Literature** Robert Chambers,1902
