## **Through The Eyes Of The Vikings An Aerial Vision Of Arctic Lands:**

**Through the Eyes of the Vikings** Robert B. Haas,2010 The noted aerial photographer trains his lenses on the landforms wildlife and manmade objects of the Arctic regions capturing the dramatic and surprising diversity of brilliant colors and unexpected subjects    *National Geographic Complete Photography* National Geographic,2011 Discusses the digital photography process including how to use a digital camera lighting the use of space framing when to use a flash background and foreground and lenses and provides suggestions for capturing specific subjects including kids wildlife sports and landscapes    Svalbard Andreas Umbreit,Roger Norum,2013 A new edition of the most in depth guide available to the most remote area of the Scandinavian Arctic from ends of the earth wilderness adventures to fascinating insight into the flora fauna and natural landscapes The perfect guide to the perfect bucket list destination    **Miracle Man** Robert B. Haas,2011-01-03 Miracle Man 100 Days with Oliver is a true tale of medical miracles and undying friendship The journey begins when Oliver finds himself in a fight for his life after a fall leaves his hind legs paralyzed When conditions worsen Haas refuses to give up on his best friend At Oliver s bedside in intensive care Haas asks him for just 100 more days to cherish every moment together In the struggle that ensues Haas never loses faith in his canine companion and the pup proves his mettle    *Svalbard* Roger Norum,James Proctor ,2018-05-03 The Bradt guide to Svalbard Spitsbergen including Franz Josef Land and Jan Mayen is a unique standalone guidebook to this evocative Arctic archipelago a place that is plunged into darkness for four months each year and where there are 4 000 snow scooters for a population of just 2 500 This new sixth edition has been thoroughly updated throughout and offers new material on everything from adventure tours to accommodation environmental change to restaurants Also covered are the restoration of Barentsburg and the opening of Svalbard s historic mines to visitors Newly updated and amended this edition reflects important recent changes in the archipelago making it the perfect guide to a quintessential bucket list destination Possibly the most remote destination in the developed world Svalbard is as off the beaten track as you can get in Europe today A destination where there are more polar bears than people Svalbard is the planet s most northerly settled land and the top if not the end of the world It was on and around Svalbard that most of David Attenborough Frozen Planet was filmed A trip to Svalbard easily lends itself to notching up geographic superlatives most northerly kebab most northerly souvenir shop etc and adventurous travellers seek out experiences such as husky driving and hikes across the permafrost charmed by the island law that requires everyone to carry a rifle anywhere outside of Longyearbyen a constant reminder of Svalbard s 3 000 strong polar bear population The main tourist period falls in Svalbard s brief summer from June to August when it s light around the clock and not very cold However increasingly popular for winter sports especially because the next few years will enjoy unusually high Northern Lights activity are the so called light winter months March May when there is both sunlight and snow The winter season itself November December March offers many possibilities for outdoor adventure and the polar night is an experience in

itself Despite winter temperatures that can drop to over 40 below zero Svalbard's glorious mountains majestic fjords and sprawling valleys are the perfect setting for adventurous journeys out to the back of beyond giving visitors a unique vantage point on a unique tourist destination This brand new edition of Svalbard provides all of the practical and background information you'll need to explore this wild place turning the hostile into the hospitable Bradt's Svalbard is written by Roger Norum an expert in the region who writes regularly on northern Norway for the press and who teaches Norwegian language and translation at University College London He is also a Research Fellow at the University of Leeds where he carries out research on the links between tourism travel writing and environmental change in the European Arctic
