And Down The Livingstone River To The Atlantic Ocean **Through the Dark Continent [Illustrated Edition] Volume 1**

Henry M. Stanley,2023-08-23 Richly illustrated throughout with maps and ink drawings Perhaps best known as the intrepid  
adventurer who located the missing explorer David Livingstone in equatorial Africa in 1871 Henry Morton Stanley 1841 1904  
played a major role in assembling the fragmented discoveries and uncertain geographical knowledge of central Africa into a  
coherent picture He was the first European to explore the Congo River assisted at the founding of the Congo Free State and  
helped pave the way for the opening up of modern Africa In this classic account of one of his most important expeditions the  
venerable Victorian recounts the incredibly difficult and perilous journey during which he explored the great lakes of Central  
Africa confirming their size and position searched for the sources of the Nile and traced the unknown Congo River from the  
depths of the continent to the sea His tremendous perseverance his persistence led his men to nickname him Bula Matari the  
rock breaker was complemented by Stanley s abilities as a keen observer and accomplished prose stylist These talents are  
fully evident in this exciting narrative It offers not only the action and adventure of a life and death struggle to survive in the  
African wilderness but detailed descriptions of native peoples customs and culture the flora and fauna of central Africa and a  
wealth of geographical ecological and other information This monumental narrative will be welcomed by anyone interested in  
the European exploration of central Africa during the nineteenth century the exploits of one of the great explorers of all time  
and a breathtaking story of human endurance and achievement in the face of immense odds Print ed
