National Railroad Adjustment Board, *Ambassador Frederick Reinhart and America's Relationship with Vietnam, 1955-1957* Ronald B. Frankum, Jr.,2024-11-01 Frederick Reinhardt arrived in Vietnam as the second United States Ambassador during a critical time in the relationship between the two countries Vietnam had been without an American ambassador since the departure of Donald Heath in November 1954 while American interests were being handled by General J Lawton Collins who accepted the position of Special Representative at President Dwight D Eisenhower s request Collins had a difficult relationship with Ngo Dinh Diem one that was marred by his intrigue with the French and his tendency to place the Vietnamese in a secondary position even when he had their best interests in mind Reinhardt repaired the fragile relationship and oversaw American s interests in Vietnam during a period of several significant events including the removal of the French Expeditionary Corps a referendum to depose Bao Dai the creation of a Vietnamese Constitution and Vietnam s first national election It was Reinhardt s temperament and professionalism that allowed Ngo Dinh Diem to regain trust in the United States as the two countries continued to work towards the common goal of Vietnamese independence in a Communist Free Republic **Traffic in Opium and Other Dangerous Drugs for the Year ...** ,1952 **New York Supreme Court , Supreme Court of the State of New York Appellate Division Third Department , Solar Corporation V. United States and India can or should develop ever closer ties as a way of countering China's desire to be the dominant power in the broader Asian region. Fateful Triangle argues that history shows such a partnership is neither inevitable nor impossible. A desire to offset China brought the two countries closer together in the past and could do so again. A look to history however also shows that shared perceptions of an external threat from China are necessary but insufficient to bring India and the United States into a close and sustained alignment that requires agreement on the nature and urgency of the threat as well as how to approach the threat strategically, economically and ideologically. With its long view, Fateful Triangle offers insights for both present and future policymakers as they tackle a fateful and evolving triangle that has regional and global implications.
