Self-Esteem as a Factor in Sex Scott Lobato, 2014-11-25 While evolutionary theory would have us believe that sex is a biological drive to continue the gene pool, I suggest our drive for sex is to meet our need for esteem. Good sex flows from a healthy self-esteem. As an expression of self-esteem, sex is necessary so we can feel valued, worthy and desirable, making sex an esteem enhancer. A healthy self-esteem is developed by looking at and exploring issues that make up our personality. This book presents a holistic integration of emotional desire, intimacy and intellectual stimulation that entails developing respect, courtesy, listening and seeing our self. If we cannot acknowledge self, how can we acknowledge the other? This book may appeal to those who are clamoring for something on a deep emotional level.

Estimation: Some Nudity, Porn and Adultery May Be Ok Dr. Arnold David Coleman, 2015-11-30 Most men may be unaware that their struggles with porn and adultery might be related to the unrealistic, biased ban on multiple wives and concubines. Men today are increasingly refusing to commit to only one woman for the rest of their life. This book may provide sufficient information and resource recommendations to empower anyone to better understand and manage their heterosexual relationships and their children, if any, so that they will soon become non-oppressive and non-abusive as well as honest, honorable, respectable and trustworthy.

Diary of a Beverly Hills Matchmaker Marla Martenson, 2011-07-18 The inside scoop from the Cupid of Beverly Hills who has brought together countless couples who have gone on to live happily ever after. But for every success story, there are ridiculously funny dating disasters with high maintenance, out-of-touch, impossible-to-please dim-witted clients. In *Diary of a Beverly Hills Matchmaker*, Marla takes her readers for a hilarious romp through her days as an L.A. matchmaker and her daily struggles to keep her self-esteem from imploding in a town where looks are everything and money talks. From juggling the demands of her out-of-touch clients to trying her best to meet the capricious demands of an insensitive boss, to the ups and downs of her own marriage to a Latin husband who doesn't think that she is domestic enough, Marla writes with charm and self-effacement about the universal struggles that all women face in their lives. Readers will laugh, cringe and cry as they journey with her through outrageous stories about the indignities of dating in Los Angeles, dealing with overblown egos, vicariously hobnobbing with celebrities and navigating the wannabe land of Beverly Hills. In a city where perfection is almost a prerequisite, even Marla can't help but run for the Botox every once in a while.
