**Serendipity** Gene Clements,2020-04-06 Looking for love on the London Underground Two strangers enjoy the ride as they become entangled in their fantasies about each other and possibly entangled in something fantastic as well Raise a glass of Whisky Rebellion to the possibilities    **Birthday Belles** Gene Clements,2020-12-08 As Gina Pam Sally and Barbara were enjoying their usual morning conversation and coffee with Kahlua at Hardwood Pointe a South Branch retirement community an idea arose Each was happy not to have a husband under foot any longer but all agreed a cuddle or canoodle would be welcome now and then why not plan a naughty pajama party and take care of this problem themselves Why not indeed This story and 27 other short stories exposing the secret shady side of South Branch Iowa can be found in the The Shady Side of South Branch by Gene Clements available as an eBook or in paperback at the usual retailers Welcome to South Branch a made up town in Southeastern Iowa which stands in here for many midwestern small towns charming friendly proud and with a comfortable aura of remembered history and a pleasant patina of deferred maintenance The older men meet in the mornings at Pearl s Downtown Diner to discuss the state of the world the price of soybeans the superiority of older cars they can fix themselves the revisionist history of their romantic exploits from sixty years ago and to complain about kids today just like their fathers did sixty years ago There s a sense of community a slow pace and a thin veneer of prudence and prudery People who live here within the embrace of a horseshoe bend in the South Branch of Mosquito Creek which the locals call Skeeter Crick love the place even though they agree it used to be better in nearly every way back when they were twenty Like any human settlement South Branch has its share of secrets desires and incidents that most participants hope will not become common knowledge and like most secrets these or some incomplete incorrect minimized or exaggerated version of them quickly become part of the town s breaking news These secrets fade into vague memory fragments over time as fresh gossip becomes the entertainment of the day In spite of the whispers and raised eyebrows the hearers of these stories divide themselves somewhat randomly into those who are inwardly horrified by what they ve heard and those who are inwardly envious of the miscreants Sometimes these responses do battle in the same person Even though the South Branch Sentinel comes out every week the most interesting news in South Branch travels faster than the boys and girls on their bicycles who deliver the paper If a young lady is smoking in the alley behind the hardware store dad will know about it before she gets home whereupon he ll light up a cigarette and admonish her against the practice Part of the attraction of these small towns is that everyone knows or at least suspects even the most discrete indiscretion on the part of their neighbors that s also what some people find repulsive about these places Every nuance of scandal wafts over South Branch enlivening the conversation at Pearl s the gossip at Claire s Hair Affair the tipsy talk at Rosalie s Palm and even or especially the whispered revelations at Reverend Goode s Salvation sic Station What follows is a collection of short stories completely made up I hasten to say Most of these stories center on particular people and places along with a talented supporting cast A word of caution for those who

have read the earlier South Branch stories about Tilly and Elmer you should know that Tilly and Elmer fans of frisky fun as they are find some of the shady characters and events in this book scandalous and shocking Until they read this book they had never thought of much less engaged in any of the more outrageous undertakings of their neighbors Nevertheless you can be sure everyone in these stories is enjoying him or herself and no characters were harmed in the writing of these tales

**The Sexy Seniors of South Branch, Tilly and Elmer - Expanded Collection** Gene Clements, 2018-02-16 The Sexy Seniors of South Branch includes ten original short stories chronicling the adventures and misadventures of Tilly and Elmer sexagenarians from South Branch Iowa Tilly and Elmer have been married nearly fifty years and they're still as frisky as they were back when they were dating in high school the subject of the Tilly and Elmer FlashbackX series Coming of Age in South Branch While they are just as frisky they are not as thin athletic or flexible as they were Where there's a will there's a way though and Tilly and Elmer manage to get themselves into and usually out of some funny surprising and occasionally embarrassing adventures In Tilly and Elmer get Crazy Tilly reads a magazine article on how to drive your man crazy in the bedroom By the end they are both a little crazy In Tilly and Elmer Get Warmed Up they try to recreate a snowy tryst they had as teenagers but this time getting naked in the woods during mid winter doesn't turn out to have the same appeal as it once did In Tilly and Elmer go to Las Vegas Elmer is feeling old so they go on vacation to relive their lost youth They don't come back any younger but they are local heroes when they get back home An awkward evening is the subject of Tilly and Elmer's 50th Class Reunion Each meets an old flame but like Tilly and Elmer their fantasies are 50 years older too Skin and Scandal recounts Tilly and Elmer's attempt to recreate an afternoon of skinny dipping and risky romance they remember from their younger days No one observed them the first time Unfortunately this time not all of the tweets came from the birds overhead Elmer has restored the 53 Chevy pickup he had when they were dating in high school Their attempt to enjoy the intimacy of the small truck cab though proves more painful than it was fifty years ago in Truck Tryst In Tilly's Afternoon Delight the mixture of a sexy novel the arrival of a young handsome woodsman to trim their backyard oak tree and a couple of gin and tonics causes Tilly a bit of confusion while Elmer is off fishing for the afternoon Tilly and Elmer in Decent Exposure Tilly Elmer's hidden talents are the talk of South Branch Tilly and Elmer's sojourn in San Francisco is the subject of Tilly and Elmer Trip Out Our favorite sexagenarian's daughter and son in law arrive early for dinner and discover Tilly and Elmer on the kitchen floor Snug as Two Bugs

**The Land of Opportunity and Other Fictions** Edward Makuta, 2010-06-23 The Land of Opportunity and Other Fictions is a collection of related short stories that tell of a time long gone when immigrants from Slavic countries arrived in America on boats in droves Told in intimate detail these stories portray the families who settled in the coal regions of Pennsylvania and the hardships that they endured as their communities grew to become burgeoning towns full of families Times were tough as they forged their way in the new country To many immigrants America was not the land of opportunity Many died because of the coal mines Many died of influenza but more than that they found

themselves fighting a war where the European soldiers against whom they fought were often family from their native countries Among the stories are many memorable characters like Nicholas Noble the interpreter and mediator between the captain and the passengers on the Carpathia a ship that brought many immigrants from Eastern Europe to America The ship is notable in that it saved the few survivors of the sinking of the SS Titanic from the cold northern seas In the end the Carpathia was destroyed by German torpedoes and Nicolas Noble along with it Through these heartfelt and vivid stories the experiences of the Eastern European immigrants and life in the coal towns of Pennsylvania will come to life     Camping for Special Children Thomas M.
