

A high-speed train, possibly a Shinkansen, is crossing a long bridge over a wide river. The scene is set at dusk or dawn, with a soft, colorful sky in shades of purple, pink, and blue. The train is illuminated by its own lights, and its reflection is visible in the calm water below. The bridge has several support pillars. The overall mood is serene and contemplative.

Time Departure Novel Douglas Schofield:

Time of Departure Douglas Schofield, 2024-03-26 Full of spellbinding twists Douglas Schofield's *Time of Departure* will appeal not only to thriller aficionados but to readers who appreciate a strong female lead and a compelling love story. A page turner that will keep readers on the edge of their seats, *Time of Departure* heralds the arrival of an immensely talented new crime novelist. Florida state prosecutor Claire Talbot is as tough as they come and not everyone loves her for it. Newly promoted Felony Division Chief Claire has about as many jealous detractors as she does supporters. Some colleagues are openly skeptical about her youth, her abilities, and even her gender. When a highway project construction crew unearths two skeletons in a common grave, Claire reopens an investigation into a string of abductions that took place before she was born. While researching the file, she meets retired cop Marc Hastings, who once worked on the case. He maneuvers his way into the investigation and into Claire's life. Marc has an uncanny familiarity with Claire's habits, and she begins to realize that not all is as it seems. The detective urges Claire on, mysteriously convinced that only she can solve the case. Together they unearth more graves. But then disaster strikes, and Claire finally discovers what Hastings knew all along. It's a secret almost too shocking for a sane mind to grasp. The key to the killings may lie deep in Claire's own past. But what if Claire's past lies in her future?

Giovanni's Ring Giovanni Rocco, 2021-06-01 Giovanni's *Ring* is the story of Giovanni Rocco, a New Jersey police officer known undercover as Giovanni Gatto, who spent over twenty years in various undercover roles penetrating biker gangs, drug cartels, white supremacist groups, and domestic and international terror groups. Most significantly, he was the mysterious agent at the epicenter of Operation Charlie Horse, a federal undercover operation that ultimately brought down ten members and associates of New Jersey's DeCavalcante Mafia family, the criminal organization otherwise known to law enforcement as the real Sopranos. Giovanni spent nearly three years working his way into the DeCavalcante hierarchy. He was so convincing in his role that capo Charlie the Hat Stango, also known as Charlie Beeps, began to treat him as his right hand. Over time, the personal relationship between the two men grew to a point where Charlie treated Giovanni more as a favored son than just an associate. Giovanni became so fully trusted that Stango went on the record for him with the family's administration and put him in charge of his own crew. Giovanni was permitted to attend meetings with other high-ranking members of the DeCavalcante crime family as well as with senior members of New York's notorious Gambino, Genovese, and Lucchese Mafia families and was authorized to speak on his capo's behalf. Each passing day became a roll of the dice for Giovanni, plaguing him with doubts: Is today the day my cover is blown? Is this the last day I see my wife and children? Will one of my deals between families or crews go bad, and I'll get clipped? Is this all worth it? Stango eventually assigned Giovanni the task of killing Luigi the Dog Oliveri, a troublesome made member of the crime family. That lethal assignment brought the undercover operation to an end in March 2015, and the resulting string of high-profile arrests eviscerated the criminal organization. In the course of the operation, Giovanni secretly recorded hundreds of conversations relating to a wide range of

crimes including counterfeit and contraband goods trafficking warehouse robberies truck hijackings and drug trafficking Also and importantly for his own safety he learned that the DeCavalcante family had secured access to sensitive law enforcement information including information about specific investigations into DeCavalcante members and associates Giovanni s Ring is not simply a chronicle of Giovanni Rocco s adventures in the murky and dangerous Mafia world he inhabited but also a fascinating window into the psychological struggles that such a life inevitably entails Whenever Giovanni returned to his real home and his real family he needed to perform an invariable ritual he parked in his driveway removed his jeweled pinky ring and dropped it in a cup holder trying to drop the Gatto identity as well Giovanni s Ring is a story that is by turns astonishing electrifying gut wrenching and always deeply human *Storm Rising* Douglas Schofield,2016-11-29 The high concept twisty follow up to Douglas Schofield s Time of Departure **Forest and Stream** ,1893 **The Last Viracocha** Douglas Schofield,2024-12-16 THE LAST VIRACocha by Douglas Schofield WGAw Reg No 2167836 In Incan legends the Viracocha were the creators of civilization They were said to have risen from Lake Titicaca during a time of darkness wandered as beggars and taught the people sustainable forestry and agriculture One day they disappeared into the western sky and never returned Andean mythology insists that the Viracocha will re appear in a time of great trouble Archaeologist Eve Barcelon is undeniably living in a time of great trouble Runaway global warming poisoned oceans killer storms gigantic forest fires floods droughts and insane wars in every possible way humanity is courting its own destruction Eve cares about the state of the planet but as an individual feels helpless She was raised mainly by her mother her father a remote figure often away for weeks at a time His neglect has affected her deeply Eve was a supremely gifted student earning her Ph D and an assistant professorship at Harvard University by her early twenties Determined to put the pain behind her her sole focus is on her academic career So when she is approached by a mysterious philanthropic organization and asked to lead an expedition to the newly discovered ruins of an ancient Mayan city she jumps at the opportunity And this is when events spin out of control She finds herself drawn into a violent journey of discovery from Belize to the high Andes of Peru hunted by the implacable leader of a rogue American Army unit and courted by another military operative she has no reason to trust Soon Eve Barcelon will learn shocking facts about her ancestry Soon she will discover an inexplicable inherited power And soon she will learn how vital she is to the preservation of humanity **Flight Risks** Douglas Schofield,2012-03-25 A WORLD IN TURMOIL In the wake of al Qaeda s catastrophic attacks western democracies scramble to meet a deadly new threat A LIFE IN TURMOIL For legal secretary Grace Palliser the war on terror is just background noise Twenty four years ago her father shot her mother and then killed himself Today Grace s life is a torment of nightmares drug addiction and custody fights over her daughter Being framed for murder is just about the last thing Grace Palliser needs But her accidental discovery of a vast international fraud triggers a cascade of terrifying events Within days Grace is running for her life hunted by both the Canadian police and the American FBI She flees across the continent in a desperate search for the evidence that will clear
