J. Hocking, 2020-06-26 In *Team Trump and the Evangelical White House* the author paints perhaps a different picture of Donald J Trump than you will find in the mainstream media With so many Trump Thumping articles opinion pieces and news stories doing the rounds today it is refreshing therefore to get a glimpse into a different side of the Trump White House Surprisingly the author shows a faith friendly president whose relationship with evangelicals goes back nearly two decades As the author proposes throughout Trump s Team has energized evangelical Christians in a way not seen for a long time Some even hark back in their comparisons of the current White House to the Reagan era This was when the well known Moral Majority backed a former Hollywood actor launching Ronald Reagan into the fortieth presidency The book begins by exploring why picking V P Pence made sense in bringing evangelicals on board with the Trump agenda You ll also see how the White House welcome mat is once again out for evangelicals as the front door is always open to people of faith Prayer

Force One will give you a glimpse perhaps of a side of Donald Trump you may not have seen as he prays with faith leaders These fifteen chapters will look at how the White House was won and may yet be won again with evangelical support in 2020
