*Tinder Nightmares* Unspirational, 2017-01-21 Will have you in hysterics over truly epic Tinder fails it captures real life conversations potential couples have exchanged over the app Spy Tinder Nightmares is a hilarious look at some of the most epic fails of the often racy always ridiculous romantic exchanges on Tinder The Instagram account of the same name has skyrocketed to popularity for its captivating and sometimes titillating ability to capture the real life conversations between people who are looking to connect with that special someone Tinder Nightmares is organized by theme with chapters such as Bad English Broetry Strange Requests Sneak Attacks and more This book explores everything from pickup lines to breakups and all the moments that come in between It's the perfect gift for anyone who has ever suffered through online dating Praise for the Tinder Nightmares Instagram account Taking submissions from womankind worldwide the account posts the funniest and most tragic lines which serve to make us simultaneously jubilant with comfort that others out there are enduring the same terror and weepy at our complete loss of faith in humanity Cosmopolitan So for anyone who has ever had a nightmarish experience on Tinder Tinder Nightmares is here to remind you that you're not alone Because when life gives you innocuously bizarre Tinder messages make jokes HuffPost

Thirteen Tunnels Suzanne Samples, 2024-01-16 On September 17 2022 the literary world indeed the whole world lost a unique voice with the passing of Suzanne Hammer Samples Her final journey began in 2014 with a brain tumor diagnosis She chronicled her struggles and triumphs even as she worked through post surgery rehab including regaining the loss of arm and hand function Suzanne's rare courage and candor gave us a brutally honest and unflinching view of her life Though she nagged her editor and publisher to get her first book into print before she died Suzanne outlived her prognosis The memoir *Frontal Matter Glue Gone Wild* went on to be named among the best books of 2019 by Kirkus Reviews and sent Suzanne on a phenomenal book tour where she wowed listeners with her experiences stellar personality and dark wit She continued on to write two sequels *Stargazing in Solitude* published to acclaim in 2021 and the *13 Tunnels* even as she returned to teaching and started a literary magazine Her trilogy offers insight comfort and understanding to the patients caregivers and loved ones dealing with this and similar devastating diagnoses

**Ethics in Design and Communication** Laura Scherling, Andrew DeRosa, 2020-02-20 This timely collection brings together critical analytic historical and practical studies to address what ethics means in the practice of design Designers face the same challenges as everyone else in the complex conditions of contemporary cultural life choices about consumption waste exploitation ecological damage and political problems built into the supply chains on which the global systems of inequity currently balance precariously But designers face the additional dilemma that their paid work is often entangled with promoting the same systems such critical approaches seek to redress how to reconcile this contradiction among others in seeking to chart an ethical course of action while still functioning effectively in the world Ethics in Design and Communication acknowledges the complexity of this subject matter while also demonstrating that in the ongoing struggle

towards an equitable and sustainable world the talents of design and critical thought are essential. Featured case studies include graphic design internships today the dark web and media coverage of the 2016 US presidential election. The fact that within this book such a wide array of practitioners scholars critics and professionals commit to addressing current injustices is already a positive sign. Nonetheless it is essential that we guard against confusing the coercive force of moral imperatives with ethical deliberation when conceiving a foundation for action

This book selects 200 of the most powerful war photographs together with poignant testaments by soldiers and battlefield witnesses to make an unforgettable tableau. Among these arresting images are Mathew Brady's Civil War pictures from Gettysburg those taken from the Cape to Cairo during the colonial Scramble for Africa those from the armageddon of the First World War the World War II photos of Robert Capa and Margaret Bourke White and those of Don McCullin and Larry Burrows from Vietnam. The brute strength of military hardware is contrasted with the vulnerability of the human body as artillery tanks planes and aircraft carriers are set against infantry. Heart stopping images of the trenches in WWI the empty steppes of Russia during WWII and the street fighting in
