What Happens When We Worship Jonathan Landry Cruse, 2020-10-20 Many churchgoers assume that worship is inherently boring something we need to make exciting But as Jonathan Landry Cruse shows churchgoing only seems monotonous and mundane because our eyes are blinded to the supernatural wonder that is taking place all around us In this book Cruse helps us perceive the significance of worship and guides us through the spiritual actions of a worship service Once you recognize how God is doing something to us and for us and through us in each element of the service Lord s Day worship will become the highlight of your week Table of Contents Foreword by Michael S Horton Part 1 Introduction 1 What Happens When We Worship Part 2 A Brief Theology of Worship 2 The Most Important Thing We Will Ever Do 3 We Are Being Shaped 4 We Meet with God 5 God Renews His Covenant 6 We Submit to God s Agenda 7 We Commune with the Saints Part 3 The Parts of the Service 8 God Calls Us 9 The Verdict Is Pronounced 10 Jesus Gets Up to Preach 11 God Feasts with Us 12 We Get a New Name 13 We Sing a New Song Part 4 Conclusion 14 Extraordinarily ordinary Worship 15 Preparing for Worship

The Shrinking Spaces Sreedharan Pallikulath, 2021-11-30 The days when it was pissing with rain when the dams sluiced out the police and the armed forces between us when our might was insufficient the anglers were our superheroes One night when the rain howled and hooted outside the comrades huddled around the table Anjali recounted her experiences with the life of the Kurumbas in Attappadi The tribal girl Amelia falls for an immigrant boy outside her tribe who takes her to cinema halls and eateries in the city They met very often at the outcrops in the night and they have regular boff sessions She was conceived She did not disclose his name and lay dead on the doctors table making Bubba s father an enigmatic outsider Anjali and her husband are now his parents It was a 1000 years flood Thousands of people including women children and college students techies young professionals and youth icons from the tinsel world worked in tandem at various relief centres across the state The senior officers adored the role of head load workers The tech savvy youths set up spontaneous networks to register distress calls and guide the rescuers to the needy Thousands of these unofficial helpdesks bounded the state together in these drastic times Heroes are moulded by the need of times The axiom is not alien but it is the sheer scale at which it is being seen in Kerala that was so amazing Lena said We need to feel in the guts that how blessed we are

The Warehouse Alessandro Delfanti, 2021-10-20 Work hard have fun make history proclaims the slogan on the walls of Amazon s warehouses This cheerful message hides a reality of digital surveillance aggressive anti union tactics and disciplinary layoffs Reminiscent of the tumult of early industrial capitalism the hundreds of thousands of workers who help Amazon fulfil consumers desire are part of an experiment in changing the way we all work In this book Alessandro Delfanti takes readers inside Amazon s warehouses to show how technological advancements and managerial techniques subdue the workers rather than empower them as seen in the sensors that track workers every movement around the floor and algorithmic systems that re route orders to circumvent worker sabotage He looks at new technologies including robotic arms trained by humans and

augmented reality goggles showing that their aim is to standardise measure and discipline human work rather than replace it Despite its innovation Amazon will always need living labour s flexibility and low cost And as the warehouse is increasingly automated worker discontent increases Striking under the banner we are not robots employees have shown that they are acutely aware of such contradictions The only question remains how long will it be until Amazon s empire collapses
