**Google Search and Tools in a Snap** Preston Gralla, 2006-04-04 These days nobody really wants to learn everything there is about a product like Google Tools And even if you did who has the time to endlessly tinker and play with it until you figure everything out You just want a book that will quickly show you how to do things with Google Tools like perform power searches find pictures with Google Images find online bargains with Froogle use the Google Toolbar and discover the world with Google Earth Google Search and Tools in a Snap does just that Organized into a series of well organized bite sized quickly accomplished tasks the book lets you zero right in on the one particular task you want to accomplish quickly figure out what to do do it and then get back to using the plethora of Google Tools

**Constitutional Democracy Under Stress** Peter L. Biro, Peter L. Biro, 2022-12-31 Constitutional democracy is not just any old form of democracy It has a peculiar logic and is premised upon some exacting criteria and principles including good laws and institutions predicated on specific fundamental core values and principles But it is when fully ingrained in the public sensibility a sort of civic serum necessary to inoculate free citizens against the ravages of anti democratic populism authoritarianism racism nativism discrimination xenophobia corruption self dealing and much worse The need for civic inoculation of that sort is urgent today globally The essays in this volume probe the sources and malaise now confronting Constitutional Democracy However they go much further Many of the essays are indeed road maps for a realistic and cultivated response to our present condition The clues for a rehabilitated democracy are found here analytically but also prescriptively
