

Food Safety Guidelines

for Temporary Events

Preparation

Use a simple menu. Use a simple menu; they are safer and easier to prepare. Only use food from approved sources. Food must be prepared and stored in a commercial commissary kitchen.

Pre-wash all produce. All produce must be washed at an approved commissary in a food prep sink or be received pre-washed (i.e., lemons for lemonade, potatoes for fries, or apples for caramel apples).

Keep foods cold during transport. Cold foods must be transported and held in approved units capable of maintaining foods at less than 41°F. Only smooth, easily cleanable, non-absorbent ice coolers or approved food-grade containers may be used for the storage of food, ice or drinks. Containers or coolers made from Styrofoam may not be used.

Cool all foods at the commissary. Foods cooked at the commissary and then cooled must be rapidly cooled from 135°F to 70°F within 2 hours, then to 41°F within an additional 4 hours. Food prepared at room temperature must be cooled to 41°F within 4 hours in a 2-4" deep container uncovered in refrigeration; in an ice bath pouring often; in an ice bath with an ice paddle; or in refrigeration.

Store all food, utensils and equipment away from contamination. Food, utensils, equipment, and single-use items must be protected from dust, insects, customers, and other contamination while being transported, stored, used and/or served.

Clean Up

Use sanitizer solution. Wiping cloths must be used with sanitizer solution and must be stored in the sanitizer between uses. Test kits must be provided and used. Sanitizer concentration requirements are as follows: Chlorine (bleach): 50-200 ppm / Quaternary ammonium: 200 ppm or as per label.

Do not wash dishes on-site. On-site washing in tubs/basins or 3-compartment sinks is not allowed. Extra serving utensils must be provided so that soiled utensils can be changed every four (4) hours.

Store and dispose of wastewater properly. All liquid waste, except drainage from clean potable ice, must be stored in a properly sized retention tank and be discharged into an approved wastewater disposal system.

Collect and dispose of garbage properly. Any solid waste, such as food debris or waste paper, must be collected and disposed of at an approved commercial establishment. A clean trash receptacle must be provided in the food booth.

Food Service

Check cooking temperatures. Use a digital food thermometer to check cooking temperatures. Measure the temperature in the thickest part of the food. Cook hamburgers and ground beef to at least 155°F, chicken or other poultry to 165°F and pork to 145°F. After the food is cooked, it must be kept hot at 135°F or more until it is served. If you're serving potentially hazardous foods you must have an accurate, probe-type, digital food thermometer on-site at all times during the event.

Reheat to 165°F. Any foods being reheated must reach 165°F within 30 minutes. Do not attempt to reheat any food in a crock-pot, chafing dish, or other hot-holding device; they take too long to reheat food, giving bacteria a chance to grow.

Keep cool foods at 41°F or less. Cold perishable foods must be kept at 41°F or less at all times.

Wash hands in running water. Handwashing facilities with running potable water, liquid soap and paper towels must be provided. You may use a portable water source that allows both hands to be placed in a stream of water simultaneously, such as a container with a pullout waterspout or a Cambro-type container and a catch basin for the dirty water.

Do not touch ready-to-eat foods with bare hands. Workers may not touch ready-to-eat foods or food contact surfaces with their bare hands. Use disposable gloves, tongs, napkins or other tools to handle food. Keep food covered at all times to protect it from insects, dust, etc. Condiments must be served from pre-approved covered containers. Animals are not allowed inside the booth.

Send sick workers home. Only healthy workers may prepare food. Anyone showing signs of illness, such as coughing, sneezing, diarrhea, vomiting, fever, etc. is not allowed in the booth. Workers must wear clean clothes. No smoking is allowed in the booth.

Use potable water only. Potable water must be available and used. A foodgrade hose must be used when connecting to a potable water supply.

Washington Food Handlers Study Guide Introduction

In today's digital age, the availability of Washington Food Handlers Study Guide books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Washington Food Handlers Study Guide books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Washington Food Handlers Study Guide books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Washington Food Handlers Study Guide versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Washington Food Handlers Study Guide books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Washington Food Handlers Study Guide books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Washington Food Handlers Study Guide books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Washington Food Handlers Study Guide books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Washington Food Handlers Study Guide books and manuals for download and embark on your journey of knowledge?

FAQs About Washington Food Handlers Study Guide Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Washington Food Handlers Study Guide is one of the best book in our library for free trial. We provide copy of Washington Food Handlers Study Guide in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Washington Food Handlers Study Guide. Where to download Washington Food Handlers Study Guide online for free? Are you looking for Washington Food Handlers Study Guide PDF? This is definitely going to save you time and cash in something you should think about.
