**The Face of the Iguana** Patrick J. McKallick,2018-05-28 In The Face of the Iguana Patrick McKallick tells the dramatic stories of how fear based beliefs both cultish and religious affected his life emotionally physically and mentally and his eventual healing This book is not just for all those abused by toxic belief systems but also those recovering from addictions The author relates touching stories of his painful abandonment by his troubled parents and his final internment in an orphanage He tells dramatic and amusing anecdotes that preserved his sanity and the utter desperation of his cunning and miraculous escape from a toxic doomsday cult We are taken on a journey of events as varied as hiding under the bed from his raging alcoholic father to descending into the depths of a 16th century church's crypt where he gazed upon piles of human bones the shock of which catapulted him unconsciously into a dark and ominous pit We faithfully follow him as he describes the conclusion of the war in El Salvador and the mass fear and terror of the citizens of that country to the comical circling of a vintage ocean liner in a beat up fishing boat with an old lady a fisherman and two young kids This is not just a compilation of interesting stories but clear guidance for anyone recovering from addictions including to fear based belief systems and the ensuing guilt and anxiety The author expertly provides revelations and insights into why we seek out toxic beliefs Mr McKallick reveals how his investigation of a surprising and astonishing field led to his incredible healing and liberation from the effects of PTSD The author learnedly introduces evidential research that mitigated his anxiety due to abusive belief systems and the fear of death He describes the ensuing collapse of this fear and the promise of an astonishingly beautiful after life

S. O'Loughlin,H. F. Montgomery,Charles Dwyer,1926 **The Chautauquan** ,1885 **The Afterlife Survey** Maureen Milliken,2011-11-18 Is there life after death It depends on who you ask It happens to all of us yet what happens when we die Are we reincarnated Do we go to heaven Is death the end of everything Or do our souls pass on to another life Do we even have souls These are the questions humans have wrestled with since the dawn of mankind We ve heard answers from philosophers and theologians Now for the first time collected in a single volume people from every faith and calling share their thoughts on this most fundamental problem Ordinary folk from all walks of life offer their ideas about what happens after our life has run its course Sooner or later everyone makes that final journey Now readers can find inspiration from a wide range of enlightening opinions as they form their own thoughts about the afterlife **The Congregationalist** ,1928 **Herald of Gospel Liberty** Elias Smith,1913 **The Skeptical Inquirer** ,2005 *Love is Stronger Than Death* Peter Kreeft,1979 Kreeft ponders the meaning of a terminal illness we all have death The three vital questions of Life Death and God are approached through a variety of human experiences Kreeft s book is a statement of the Christian vision the meaning of our existence and of death is the fulfillment of our deepest desire for the infinite joy and love of God From publisher s description There Is Life After Death Roy Abraham Varghese,2009-11-01 Is death the end Or to put it another way do we survive

bodily death Some shrug their shoulders and declare we simply can't know Others just say No And a few flying their philosophical colors pretentiously profess to not even understand the question Curiously the overwhelming majority of human beings throughout the course of history have taken it for granted that death is not the end that there is a life after death This striking and seemingly instinctive belief has been embodied in the religious traditions and philosophical reflections of most cultures There is Life After Death is the first of its kind in that it assembles and analyzes a comprehensive range of data on life after death and then provides a framework to understand the data No previous book has given a concrete structure of the afterlife that is based on the accounts of eye witnesses as well as on data from diverse sources Above all the book provides exciting and compelling answers to the urgent question what lies on the other side
