resources a critique that is distinctive not only in its pertinence but also in the possibilities that it opens for the development of his project in the future. Innovatively offering a systemic account of Gutierrez's theology, this book offers both an indispensable overview for those who are engaging with Gutierrez for the first time and a distinctive analysis for those who are seeking to deepen their understanding of his work.

The Freedom of God James Daryn Henry, 2018-05-30. The Freedom of God wrangles with the unfolding legacy of Christian theologian Robert Jenson and presents the first in-depth study of his teaching on the Holy Spirit. It is a specialist monograph that will entice those with interest in academic theology, systematics, and twentieth and twenty-first century Christian thought, especially the post-Barthian historicist electionism and the post-Rahnerian immanent and economic trinitarian project conversations. Devoted readers of the works of Robert Jenson, scholars of pneumatology, third article theology, or pentecostal renewal movements, practitioners of liberation theology, and supporters of ecumenical theology will all be particularly gripped by the analysis developed in this work. As a text, *The Freedom of God* could find a home in graduate seminars, seminary classrooms, and in classes for advanced undergraduates for those studying Jenson as a way into systematic theology and contemporary Christian thought, or in any thematic doctrinal courses on the Holy Spirit or the Trinity.

Theology and Social Issues in Africa Francis Anekwe Oborji, 2020-11-22. The Volume speaks to us from the heart and engages the socio-political concerns in the Nigerian context through the lens of a theological approach. The author reflects historically the numerous consequences of the amalgamation of the ethnic groups of different orientations in Nigeria into one socio-political structure of the colonizers' interests. This sociopolitical structure raises several questions than answers it pretends to offer the indigenous people. From a Nigerian point of view, the articles in this volume critically challenge the unjust formation of any nationhood in the Africa context. It points out how the sustenance of an unjust nation formation betrays the creed on which such a nation is established. Truth conquers all is the spirit with which this Volume is written. It is the truth that will set a nation like Nigeria free from the spirit of confusion and unperceived religious socio-political syncretism. The awareness emanating from this volume suggests liberating steps from the unsuspecting colonial interests and the sustained feigned relationship with the colonizers which militate against the socio-political and economic growth and theological orthodoxy of such a growing nation.

The Way of the Urban Monk Joe Colletti, 2024-10-09. Dedicating your life to social justice is a worthy endeavor. But how do you sustain the challenging work amid the inevitable challenges and setbacks? In this book, social reformer Joe Colletti provides direction for aspiring urban monks by drawing on decades of on-the-ground experience working toward solving social struggles as well as his own journey creating an integrated rule of life to spiritually guide his lifelong work. Chapter by chapter, he sets you up for an intentional life of involvement in social reform, coaching you on how to choose your social struggle, select the spiritual principles and practices that will make up your own unique integrated rule of life, and merge your spiritual and secular efforts. Equal parts pragmatism and mysticism, *The Way of the Urban Monk* offers practical wisdom and soulful guidance for

those committed to helping end seemingly intractable social injustices enabling them to serve more effectively and from a place of spiritual wholeness

Unlocking the Fountains Andrew D. Mayes, 2025-10-17 This book unleashes hidden secrets and forgotten messages of the rivers and springs that flow through the Bible alerting us both to ecological realities and spiritual challenges To understand the biblical story we must attend to these features of the land for they are important threads in the tapestry of the scriptural narratives the context and matrix of the workings of the Divine They become literally and symbolically sources of faith But it is impossible for us to revisit the rivers and springs of the biblical story today without attending to their present physical state of degradation The varied crises facing the rivers and springs furnish us with a hermeneutical tool for approaching ancient biblical stories confronting us with demanding questions that become an interpretative lens refocusing our attention as we approach the texts The environmental dangers they face today raise issues with which we revisit the biblical accounts helping us to discover there elements and questions that have not addressed us before To assist our quest we go in search of those who have lived on the riverbanks in past times and listen to their ancient and abiding wisdom which speaks uncannily to us across the centuries

Caminemos Con Jes[us] Roberto S. Goizueta, 1995 While the growth in numbers and influence of the Hispanic community in the United States has been commented on widely there has been no systematic attempt to define what a Hispanic Latino theology is Roberto S Goizueta a Cuban American recognizes that Hispanic and Latino are labels that can be imposed artificially on a diversity of peoples he finds a common link in the Spanish language and a shared culture Central to this culture is the experience of exile of peoples at the margins of a society who must find and make their way together Central also is faith in Jesus Caminemos con Jes s provides lessons in discipleship for Hispanics and non Hispanics alike for students of contemporary theology and all those engaged in pastoral and church based work Book jacket

Sharing the Word through the Liturgical Year Gustavo Gutierrez, 2009-05-01 The characteristic mission of Christians is proclaiming the gospel the good news of the gratuitous love of God for every person but preferentially for the poor and excluded Our greatest wish is that these pages will be useful to those who seek to meditate on the Lord s word and to share it with others Gustavo Guti rrez the renowned Peruvian theologian here shares the wisdom of a pastor and homilist in opening up the riches of scripture through the liturgical year Covering all three cycles A B C Guti rrez offers penetrating reflections on each of the Sunday lectionary readings With brief exegesis and homiletic guide Guti rrez offers a perspective on sacred scripture that continually emphasizes its themes of liberation and love and draws connections to the challenge of faithfulness in our time
