**Shakespeare for Young People** Abigail Rokison-Woodall, 2015-01-01 The search to find engaging and inspiring ways to introduce children and young adults to Shakespeare has resulted in a rich variety of approaches to producing and adapting Shakespeare's plays and the stories and characters at their heart. *Shakespeare for Young People* is the only comprehensive overview of such productions and adaptations and engages with a wide range of genres including both British and American examples. Abigail Rokison covers stage and screen productions, shortened versions, prose narratives and picture books, including Manga, animations and original novels. The book combines an informative guide to these interpretations of Shakespeare with critical analysis of their relative strengths. It also includes extensive interviews with directors, actors and writers involved in the projects discussed.
