The Re-Enchantment Hank Wesselman, Ph.D.,2016-12-01 An Invitation to Awaken to a Reality of Wonder and Infinite Possibility In a time when our scientific understanding of the universe has never been greater why do so many people feel unhappy and alienated As Dr Hank Wesselman explains our search for objective knowledge has come at the cost of a deeper intuitive rapport with nature and our spiritual selves The result is a profound disenchantment one that affects us individually and collectively What we need now is a re enchantment a way to renew our relationship with nature reawaken to spiritual reality and reclaim the sense of connection and hope that gives meaning to our lives The Re Enchantment offers a compelling blueprint for the emerging transformational spirituality not a return to the superstition and ignorance of old beliefs but a modern upgrade of the path of the shaman that reconnects us to our inner sources of intuition power and healing Here he explores Challenging the cultural mythos why a new story is arising about who we are and where we fit in to the greater whole The role of the shaman as a mediator between the material and spiritual worlds Guides helping spirits oversouls and masters of deception unseen spiritual forces that influence our lives Empowering ourselves to be agents of change through the shamanic path of direct revelation There is new spiritual complex coming into being in our world writes Dr Wesselman This mystical mosaic draws from many traditions and many cultures and has the potential to refresh and perhaps replace our current mainstream religions with new perceptions and new insights With The Re Enchantment this leading teacher presents a provocative call to action to engage the world with a newborn s eyes a shaman s heart and soul dedicated to a wiser more compassionate future

Weather, Religion and Climate Change Sigurd Bergmann,2020-12-13

Weather Religion and Climate Change is the first in depth exploration of the fascinating way in which the weather impacts on the fields of religion art culture history science and architecture In critical dialogue with meteorology and climate science this book takes the reader beyond the limits of contemporary thinking about the Anthropocene and explores whether a deeper awareness of weather might impact on the relationship between nature and self Drawing on a wide range of examples including paintings by J M W Turner medieval sacred architecture and Aristotle s classical *Meteorologica* Bergmann examines a geographically and historically wide range of cultural practices religious practices and worldviews in which weather appears as a central sacred force of life He also examines the history of scientific meteorology and its ambivalent commodification today as well as medieval weather witchery and biblical perceptions of weather as a kind of barometer of God s love Overall this volume explores the notion that a new awareness of weather and its atmospheres can serve as a deep cultural and spiritual driving force that can overcome the limits of the Anthropocene and open a new path to the Ecocene the age of nature Drawing on methodologies from religious studies cultural studies art history and architecture philosophy environmental ethics and aesthetics history and theology this book will be of great interest to all those concerned with
