Death by Meeting Patrick M. Lencioni, 2010-06-03 A straightforward framework for creating engaging and exciting business meetings Casey McDaniel had never been so nervous in his life In just ten minutes The Meeting as it would forever be known would begin Casey had every reason to believe that his performance over the next two hours would determine the fate of his career his financial future and the company he had built from scratch How could my life have unraveled so quickly he wondered In his latest page turning work of business fiction best selling author Patrick Lencioni provides readers with another powerful and thought provoking book this one centered around a cure for the most painful yet underestimated problem of modern business bad meetings And what he suggests is both simple and revolutionary Casey McDaniel the founder and CEO of Yip Software is in the midst of a problem he created but one he doesn't know how to solve And he doesn't know where or who to turn to for advice His staff can't help him they're as dumbfounded as he is by their tortuous meetings Then an unlikely advisor Will Peterson enters Casey's world When he proposes an unconventional even radical approach to solving the meeting problem Casey is just desperate enough to listen As in his other books Lencioni provides a framework for his groundbreaking model and makes it applicable to the real world Death by Meeting is nothing short of a blueprint for leaders who want to eliminate waste and frustration among their teams and create environments of engagement and passion

Summary of Death by Meeting SellWave Audio, 2025-10-29 Death by Meeting by Patrick Lencioni is a compelling work of business fiction that doubles as a practical guide to transforming one of the most pervasive frustrations in the workplace inefficient and unproductive meetings The story follows Casey McDaniel founder and CEO of Yip Software whose company is hampered by torturous meetings that drain energy and sap focus Faced with the potential unraveling of his career financial stability and the company itself Casey is desperate for a solution The turning point comes when Will Peterson an unconventional advisor enters Casey's life and proposes a radically different approach to meetings Through this mentorship Casey discovers a framework that reimagines the purpose structure and rhythm of team gatherings Lencioni uses narrative storytelling to illustrate common pitfalls ambiguous agendas overlong discussions lack of engagement and contrasts them with practical strategies for revitalizing meetings making them both productive and energizing Lencioni's model emphasizes clarity structure and a deliberate rhythm to team interactions showing leaders how to segment meetings according to purpose intensity and duration By the end the reader not only follows Casey's journey but also gains actionable insights into creating meetings that foster alignment accountability and passion among team members Ultimately Death by Meeting is both an engaging story and a blueprint for leaders who seek to eliminate wasted time enhance collaboration and cultivate a culture of focus and commitment It demonstrates that when approached thoughtfully meetings can transform from a dreaded obligation into a powerful tool for organizational success
