Welfare Expectant Mother Classic Reprint:

The Welfare of the Expectant Mother (Classic Reprint) Mary Dacomb Scharlieb, 2015-07-11 Excerpt from The Welfare of the Expectant Mother This little book is an attempt to demonstrate the national necessity for safeguarding motherhood It is especially addressed to members of Local Authorities Midwives District and other Nurses School Teachers and the large body of Health Visitors and other helpers in Public Health work both voluntary and paid But I hope that it may not only serve as a guide to those who are already interested in the subject but may lead many others to see how largely the weal of the nation is dependent upon the welfare of the expectant mother In compiling the book I have derived much help from the writings of Sir Arthur Newsholme Dr Janet Campbell Dr Routh Dr Shadick Higgins Miss Rosalind Paget and others I should also like to offer my grateful thanks to the Publishers for invaluable help in passing the book through the press About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such Healthy Babies S. Josephine Baker, 2015-08-05 Excerpt from Healthy Babies A Volume Devoted to the historical works Health of the Expectant Mother and the Care and Welfare of the Child The methods and advice given in this book on care of babies are first of all intended to be used in keeping babies well. The book is in no sense intended as a method of treating sick babies nor should the advice that is given ever take the place of the individual care that can be offered by a doctor The methods of keeping babies well are simple and easy but the methods of curing babies after they are sick are difficult and often complicated It has been proved over and over again that babies can be kept well with very little effort and that any intelligent mother can learn all that is needful to assure good health in her baby There are certain minor forms of illness which can be corrected or cured simply by readjustment of the hygiene of the baby s life or perhaps by the use of some simple household remedies and there is no reason why the mother should not know and apply the proper treatment in cases of this kind but if actual illness occurs there should be no delay in obtaining the help of a qualified physician Saving babies has proved to be one of the most interesting and satisfactory types of health work that has ever been carried out in this or any other country About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Annual Report of the Surgeon General of the Public Health Service of the United States U. S. Public Health Service, 1921 Excerpt from Annual Report of the Surgeon General of the Public Health Service of the United States For the Fiscal Year 1921 Sir In accordance with the act of July 1 1902 I have the honor to submit for transmission to Congress the following report of the operations of the Public Health Service for the fiscal year ended June 30 1921 This is the fiftieth annual report of the service covering the one hundred and twenty third year of its existence The administrative organization of the bureau on June 30 1921 was as follows About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The United States Catalog; Books in Print January 1, 1912 Marion Effie Potter, 1921 Annual Report of the Surgeon General of the Public Health Service of the United States, for the Fiscal Year 1919 (Classic Reprint) United States Public Health Service, 2017-10-19 Excerpt from Annual Report of the Surgeon General of the Public Health Service of the United States for the Fiscal Year 1919 The administrative heads of the service and the chiefs of the bureau divisions at the close of the fiscal year consisted of the following About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Reprints of Articles ... University of Michigan. Department of Obstetrics and Gynecology, 1918 American Book Publishing Record Cumulative, 1950-1977 R.R. Bowker Company. Department of Bibliography, 1978 Time Briton Hadden, Henry R. Luce, 1995-10 A Manual for Expectant Mothers (Classic Reprint) Mary Riggs Noble, 2018-10-12 Excerpt from A Manual for Expectant Mothers The Department of Health is interested in the well being of the citizens of the commonwealth of all ages It is especially concerned with the welfare of mothers and babies The Department believes it can be of real help by placing in the hands of parents the plain facts concerning childbearing which every one ought to understand and which if known and acted upon would make pregnancy safer and more comfortable How many expectant mothers are aware that traveling through the first nine months of the baby s life that is before its birth both mother and baby are making a journey when a good engineer is needed About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks

com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The United States Catalog ,1921 **Iournal of the American Medical Association** ,1924 Includes proceedings of the association papers read at the annual sessions and lists of current medical literature and the Law C.
