World Series Halloween Costumes Compare:

One Man's America George Will, 2009-11-17 In his provocative and compelling new book America's most widely read and most influential commentator casts his gimlet eye on our singular nation Moving far beyond the strict confines of politics George F Will offers a fascinating look at the people stories and events often unheralded that make the American drama so endlessly entertaining and instructive With Will's signature erudition and wry wit always on display One Man's America chronicles a spectacular eclectic procession of figures who have shaped our cultural landscape from Playboy founder Hugh Hefner to National Review founder William F Buckley Jr from Victorian poet Henry Wadsworth Longfellow to Beat poet Lawrence Ferlinghetti from cotton picker turned country singer Buck Owens to actor turned president Ronald Reagan Will crisscrosses the country to illuminate what it is that makes America distinctive He visits the USS Arizona memorial in Pearl Harbor and ponders its enduring links to the present He travels to Milwaukee to celebrate the hundredth anniversary of an iconic brand Harley Davidson In Los Angeles he finds the inspiring future of education while in New York he confronts the dispiriting didacticism of the avant garde He ventures to the Civil War battlefields of Virginia to explore what we risk when we efface our own history And on the outskirts of Chicago he investigates one of the darkest chapters in American history only to discover a shining example of resilience and grace the best the country has to offer Will's wide lens takes in much more as well everything from the most emblematic novel of the 1930s and no it is not about the Joads to the cult of ESPN to Brooks Brothers and Ben Jerry's And of course One Man's America would not be complete without the author's insights on the national pastime baseball the icons and the cheats the hapless and the greats Finally in a personal and reflective turn Will writes movingly of his thirty five year old son Jon born with Down syndrome and pays loving and poignant tribute to his mother who died at the age of ninety eight after a long struggle with dementia The essays in One Man's America even when critiquing American culture reflect Will's deep affection and regard for our nation After all he notes when America falls short it does so only as compared to the uniquely high standards it has set for itself In the end this brilliantly informative and entertaining book reminds us of the enduring value of the simple virtues and decencies that can make communities flourish and that have made America great and exemplary
