2024 Holiday Customer Service Blueprint Jelisaveta Sapardić, 2024-08-20 Did you know that customer service requests can increase by 65% during Black Friday and Cyber Monday compared to a typical day 15 This staggering surge can overwhelm even the most prepared customer support teams as they struggle to manage a flood of repetitive questions keep response times low and maintain high levels of customer satisfaction all at the same time However this surge also presents a critical opportunity to boost revenue and acquire new customers with over 87% of consumers shopping during Black Friday and 61 million people globally purchasing from Shopify powered brands 16 Drawing from our experience supporting over 300 000 businesses worldwide we understand the importance of a seamless customer experience especially for ecommerce companies and SMBs We've developed strategies that help businesses overcome customer service challenges during peak shopping times In this ebook we'll share practical tips and insights from industry experts to help you manage customer demands during these critical periods Learn how to navigate and thrive during the busiest seasons with our proven advice

The Discourse of Customer Service Tweets Ursula Lutzky, 2021-10-21 The Discourse of Customer Service Tweets studies the discursive and pragmatic features of customer service interactions making use of a corpus of over 1.5 million tweets from more than thirty different companies With Twitter being used as a professional service channel by many transport operators this book features an empirical analysis of British and Irish train companies and airlines that provide updates and travel assistance on the platform often on a 24/7 basis From managing crises in the midst of strike action to ensuring passengers feel comfortable on board Twitter allows transport operators to communicate with their customers in real time Analysing patterns of language use as well as platform specific features for their communicative functions Ursula Lutzky enhances our understanding of customers linguistic expectations on Twitter and of what makes for successful or unsuccessful interaction Of interest to anyone researching discourse analysis business communication and social media this book's findings pave the way for practical applications in customer service

Sociology of Waiting Paul Christopher Price, 2021-05-04 In Sociology of Waiting Paul Christopher Price investigates how people wait and analyzes what individuals do while waiting It is a key feature within U.S. and other societies waiting is universal Sociologically waiting gets at order and our ability or inability to pause Crowds cannot rush into concert venues and supermarket clerks cannot check out customers simultaneously So we must wait In all our waiting we've developed strategies and structures for delays and such methods and structures provide order as well as understanding we recognize why we wait The sociology of waiting is a classic piece of everyday sociology a timeless piece of routine behavior Waiting is as natural as breathing eating and drinking indeed mothers wait nine months before infants are brought to term and summer will always follow spring Waiting provides its own lessons That is watching cars weave through traffic and receive citations by police we learn that waiting may have saved time and money Shining the light on waiting permits a far superior understanding of order and how our society organizes itself
