Pivoting and Producing for Online TV Alexa Scarlata, 2025-05-02 The introduction and diffusion of international subscription video on demand SVOD services in the 2010s represented the most significant disruption of established national broadcast and pay TV ecologies in their long history Using an in depth Australian case study this book narrates this profound period of proliferation It also considers how incumbent commercial networks pay TV providers and public service broadcasters developed into online TV providers albeit in assorted ways In so doing it conceives of the early impact of online TV 2015 2020 more broadly and acknowledges the role of both new and old TV players The industry wide shift towards online TV over this period also impacted existing television drama production cultures SVOD services provided a fruitful avenue for the distribution of

existing archives and slowly began to support the production of new Australian content with an increasingly global focus. However, the formal arrival of online TV certainly did not usher in the boom in original local television drama many anticipated. *Pivoting and Producing for Online TV: Australia's Transition* advances the macro analysis of television production strategies. This book will be useful to students and researchers interested in media, film, and cultural studies. **Comparison of Information in TV Advertisements in the United States of America and South Korea** Jae Yung Cho, 1988

*Television's Streaming Wars* Arianne Ferchaud, Jennifer M. Proffitt, 2023-11-03 This volume addresses contemporary debates and trends regarding the production and distribution, content, and audience engagement with the television streaming industry. The book interrogates the economics and structure of the industry, questions the types and diversity of content perpetuated on streaming services, and addresses how audiences engage with content from US and global perspectives and within various research paradigms. Chapters address the television streaming wars, including the debates and trends in terms of its production and competition, diversity and growth of programming, and audience consumption, focusing on multiple platforms, content, and users. This timely and creative volume will interest students and scholars working in television studies, media industry studies, popular culture studies, audience studies, media psychology, critical cultural studies, and media economics. **Interpreting and Analyzing Financial Statements** Karen P. Schoenebeck, Mark P. Holtzman, 2012 The text and activities format allow the instructor to use this book as a stand-alone text for the first accounting course. This text helps students analyze real company financial statement information. Each activity in the book concentrates on only one aspect of the analysis and uses data from well-known corporations to pique students' interest and add relevancy.
