We Are Unique My Family's Journey With Cerebral Palsy:

Reflections from a Different Journey Stanley D. Klein, John D. Kemp, 2004 Presents 40 stories by successful adults who grew up with disabilities. They provide insights into what it is like to persevere in the face of community prejudices and what it takes for families and children with disabilities to work together toward fulfillment. While there are many books for parents on raising a child with a disability, this is the first to help them learn from people with disabilities and to help children face the unique challenges and rewards of growing up with a disability. It will also encourage and inspire older children and adults with disabilities, other family members, and education and health care professionals who serve these families. Publisher's description **They Created Us** Denise Mercado, 2006-11 Click this link to read a review of *They Created Us*. *They Created Us* is a family's journey through the disability world that begins with their second son's encounter with Hflu meningitis at six months of age. Through their journey, you will learn the complexities of the bureaucracy along with strategies to maneuver through a sometimes unresponsive system. Special Education, Medicaid Waivers, EPSDT, and Independent Case Management are all part of a family's world when their child experiences disabilities. This family's journey uncovers injustices and allows opportunity for basic rights to be realized throughout the systems that were put in place to help children with disabilities.

Beyond Boundaries Rushma Kafley, 2024-06-20 *Beyond Boundaries* is a captivating memoir that intricately portrays the extraordinary journey of Rushma Kafley, illuminating her unwavering resilience and indefatigable determination amidst myriad challenges. Born with cerebral palsy in a remote village in Assam, India, Rushma's narrative transcends geographical and societal confines, serving as a poignant testament to the human spirit's capacity for triumph over adversity. From navigating the complexities of acceptance in a small town to enduring the uncertainties of life in refugee camps in Nepal, Rushma's story resonates with courage, perseverance, and the relentless pursuit of dreams that transcend all boundaries. Central to Rushma's journey is the profound influence of her mother, whose unwavering support, selflessness, and unwavering determination serve as a guiding force inspiring Rushma to surmount every obstacle in her path with grace and determination.

Muriel Dennis, 1978 **The Exceptional Parent**, 1995 **Communicating Together**, 1991 Family Systems Within Educational Contexts Rosemary Lambie, 2000 **Disability is Natural** Kathie Snow, 2001 In this user friendly book, parents learn revolutionary common sense techniques for raising successful children with disabilities. When we recognize that disability is a natural part of the human experience, new attitudes lead to new actions for successful lives at home, in school, and in communities. When parents replace today's conventional wisdom with the common sense values and creative thinking detailed in this book, all children with disabilities, regardless of age or type of disability, can live the life of their dreams. Readers will learn how to define a child by his or her assets instead of a disability related problem, and how to create new and improved partnerships with educators, health care professionals, family and friends.
