We Can Never Go Home:

You Can Never Go Home Again Foxglove Lee, What if you came home for Thanksgiving and your family home had disappeared Picture this You started your first year at university a couple months ago and you haven't been home since You miss your parents but you've learned a lot about yourself living away Your family was accepting when you came out queer but everything's different now that you're questioning your gender identity too Even if you can work up the nerve to tell your parents will they ever understand That's the least of your concerns when you get home to find your house isn't there It's just gone The neighbours have no idea who you are What happened to your family How can you find them And does anyone remember the way things used to be A Paranormal LGBTQ Young Adult Novelette *We Can Never Leave* H.E. Edgmon, 2025-06-10 Sweet Tooth meets The Raven Boys in this queer young adult contemporary fantasy about what it means to belong from H.E. Edgmon You can never go home Every day all across the world inhuman creatures are waking up with no memory of who they are or where they came from and the Caravan exists to help them The traveling community is made up of these very creatures and their families who've acclimated to this new existence by finding refuge in each other That is until the morning five teenage travelers wake to find their community has disappeared overnight Those left a half human who only just ran back to the Caravan with their tail between their legs two brothers one who can't seem to stay out of trouble and the other who's never been brave enough to get in it a venomous girl with blood on her hands and a heart of gold and the Caravan's newest addition a disquieting shadow in the shape of a boy They'll have to work together to figure out what happened the night of the disappearance but each one of the forsaken five is white knuckling their own secrets And with each truth forced to light it becomes clear this isn't really about what happened to their people it's about what happened to them **We Can Never Go Home**, 2015 **The Gentleman's Magazine**, 1881 Reminiscences of the Services and Experience of Lieut.
