*Wearing God* Lauren F. Winner, 2016-04-05 Lauren F Winner a leading writer at the crossroads of culture and spirituality and author of *Still and Girl Meets God* joins the ranks of luminaries such as Anne Lamott and Barbara Brown Taylor with this exploration of little known and so little used biblical metaphors for God metaphors which can open new doorways for our lives and spiritualities There are hundreds of metaphors for God but the church only uses a few familiar images creator judge savior father In *Wearing God* Lauren Winner gathers a number of lesser known tropes reflecting on how they work biblically and culturally and reveals how they can deepen our spiritual lives Exploring the notion of God as clothing Winner reflects on how we are clothed with Christ or how God fits us like a garment She then analyzes how clothing functions culturally to shape our ideals and identify our community and ruminates on how this new metaphor can function to create new possibilities for our lives For each biblical metaphor God as the vine vintner who animates life the lactation consultant and the comedian showing us our follies for example Winner surveys the historical literary and cultural landscapes in order to revive and heal our souls

*Dress and Clothing in the Hebrew Bible* Antonios Finitis, 2019-08-08 Built upon the flourishing study of costume this book analyses sartorial evidence provided both by texts of the ancient Near East and the Hebrew Bible The essays within lend clarity to the link between material and ideological examining the tradition of dress the different types of literature that reference the tradition of garments and the people for whom such literature was written The contributors explore sources that illuminate the social psychological aesthetic ideological and symbolic meanings of clothing The topics covered range from the relationship between clothing kingship and power to the symbolic significance of the high priestly regalia and the concept of garments as deception and defiance while also considering the tendency to omit or ignore descriptions of YHWH's clothing Following a historical sequence the essays cross reference with each other to create a milestone in biblical sartorial study

Springer, 2022-03-22 A guide that shows that yoga and Christian faith can be harmonious As church membership nationwide continues to decline the number of yoga practitioners continues to steadily increase What's at the meeting place where the trajectories cross What can the church learn from the popular success of yoga and is it problematic to offer yoga in the church How can churches offer yoga in a way that observes appreciates and builds upon the commonalities but which does not conflate the two traditions each of which has its own integrity Making the decision to offer yoga in the church requires humility a confession that Christians do not hold the exclusive pathway to communion with the divine

**The Dangers of Christian Practice** Lauren F. Winner, 2018-10-23 Challenging the central place that practices have recently held in Christian theology Lauren Winner explores the damages these practices have inflicted over the centuries Sometimes beloved and treasured Christian practices go horrifyingly wrong extending violence rather than promoting its healing In this bracing book Lauren Winner provocatively challenges the assumption that the church possesses a set of immaculate practices that will definitionally train Christians in virtue and that can't be answerable to their histories Is there for instance an account of prayer that has anything useful to say about a slave owning woman's praying for her slaves obedience Is there a robustly theological account of the Eucharist that connects the Eucharist's goods to the sacrament's central role in medieval Christian murder of Jews Arguing that practices are deformed in ways that are characteristic of and intrinsic to the practices themselves Winner proposes that the register in which Christians might best think about the Eucharist prayer and baptism is that of damaged gift Christians go on with these practices because though blighted by sin they remain gifts from God

**Laughing with God** Gerald A. Arbuckle, 2015-03-15 When Sarah overhears God tell Abraham that she will give birth to a son she laughs She laughs to herself at the impossibility of her in her old age bearing a child Gen 18 12 But God's ways are not Sarah's ways God is far more wonderful than Sarah imagines Of course Sarah does give birth to a son and names him Isaac whose name means to laugh God has brought laughter for me everyone who hears will laugh with me Gen 21 6 Surely the ancient audience aware of the many incongruities in this story did laugh But can we

in modern times recover the divine humor the paradox and promise in this and other biblical accounts Can we use that sacred laughter as a means to evangelize a world that longs for God every bit as much as the ancients did In *Laughing with God* Humor Culture and Transformation Catholic priest and cultural anthropologist Gerald Arbuckle helps us do just that With Arbuckle readers will enter many rich biblical stories and come away laughing not laughter as in response to a joke or comedy but a profound laughter of the heart Readers will laugh at Sarah as she laughs at God and they will laugh together with Sarah and God Readers will discover divine humor in the parables of Jesus and even in his suffering and death the ultimate paradox for Christians In addition to uncovering and recovering humor in Scripture Arbuckle s work is a treasure trove of modern examples of humor from literature movies and television that surprisingly can be a means of transforming cultures to better reflect the kingdom of God In the end readers will want to turn the phrase He who laughs last laughs best into They who laugh with God evangelize best Gerald A Arbuckle SM PhD is co director of Refounding and Pastoral Development a research ministry in Sydney Australia He is internationally known for his expertise in helping church leaders minister effectively in a postmodern world Arbuckle s most recent books include *Confronting the Demon A Gospel Response to Adult Bullying Violence Society and the Church A Cultural Approach and Healthcare Ministry Refounding the Mission in Tumultuous Times* 2001 Catholic Press Association Award all published by Liturgical Press     The Day God Laughed Derek A. Rimson, 2022-11-03 The content of this book has the intent to somehow expose the nature of God and his unparalleled ability to laugh God s initial purpose and the most visible reason for God laughing in contrast to scripture is really only displayed for one reason and that is when he makes fun and laughs at the calamity of the unrighteous because he sees that their day is coming for recompense and retribution However in conjunction with God laughing at the wicked in regards to their sinister plots to eradicate God s choice people God also displays a sense of humor when he deals divinely and sovereignly with his children even though his sense of humor is oftentimes dry It s God s unique humor nonetheless However it is this godly sense of humor that periodically leaves us his children chuckling at his ideologies his peculiar way of doing things     *It's Okay to Laugh with Jesus* Wayne Bartelt, 2019-08-28 It s Okay to Laugh with Jesus is about a God who loves to laugh because he s proud of his perfect world and loves the people he put in it He laughs at the folly of humankind that rejects him and rewards faithfulness rather than success He laughs at a mother as she cuddles her newborn a baby s giggle a father tucking a blanket under his son s chin and praying him to sleep God laughs at the folly of humankind that rejects his love and at the devil knowing his doom is sealed Those who laugh with Jesus enter a world of smiles and surprises Starting the adventure costs nothing living it costs everything It s easy to become a Christian and difficult to live like one Once the adventure begins the awareness shifts from ownership to service from selfishness to sacrifice from world thinking to heaven thinking Goals change values deepen and variables that make no earthly sense develop eternal significance Where did we ever get the idea that sorrow sadness and skepticism represent the Christian religion Not from God He laughs with a world

of people who live and die laughing all the way to heaven When we laugh with God the sorrows of life blend with joy anxiety is calmed with forgiveness and heartache balances against happiness In a book of fun and surprises It s Okay to Laugh with Jesus reveals how and what sharpens the faith that brings us closer to our God than we ever thought possible And when we laugh with him he knows we re getting it What a delightful way to spend an hour a day a lifetime laughing with Jesus
