screenwriters and informed consumers of television insights into the cultural impact of Rhimes's work as well as how one of the most powerful television creators and showrunners in the history of the medium has crafted and shaped screen stories that speak to viewers spanning all demographics across the globe *Feminism in Practice* Karen A. Foss, Sonja K.

Foss, Alena Amato Ruggerio, 2021-09-23 *Feminism in Practice* uses feminism as a blueprint for exploring change strategies. It features twenty contemporary feminists from diverse arenas including activists, comedians, musicians, politicians, poets, and showrunners. The women come to life through line drawings, brief biographies, extensive quotations, their definitions of feminism, and the change strategies they employ. Questions for reflection encourage readers to think through their own relationship to feminism and change. Chapter 1 defines feminism, raising issues with the typical definition of feminism as the effort to achieve equality between women and men. It concludes with a description of over twenty types of feminism. Chapter 2 describes the triggering events, happening places, and key ideas of the four waves of feminism. The opening chapters provide a comprehensive understanding of the diversity and complexity of feminist movement. The book is organized around five primary objectives that animate contemporary change efforts: proclaiming identity, naming a problem, enriching a system, changing a system, and creating an alternative system. Each objective is developed through theoretical assumptions and twelve change strategies that show it at work in feminist movement. *Feminism in Practice* also serves as a practical handbook that readers can use to experiment with the strategies and expand their toolkits for creating change in their lives and worlds. The authors are uniquely qualified to explore issues of feminism and change. Karen Foss and Sonja Foss are second-wave feminists who have written extensively on alternative change strategies, feminist communication, and feminist theory. Alena Ruggerio brings to the project the standpoint of a third-wave feminist at home in pop culture. Her scholarship lies at the intersection of rhetoric, feminism, and religious studies. To learn more about *Feminism in Practice*, listen to the authors' October 2021 interview on The Jefferson Exchange: [You're Gonna Make It After All](#) Marc Shapiro, 2017-10-11. Mary Tyler Moore was a legendary television and film performer who was much loved and lauded by millions as the personification of sweetness and innocence filtered through a sanitized television world. But as fate would have it, Moore was so much more than that. Coming of age at a time when feminism and women's rights were on the march across the land, Moore's roles in *The Mary Tyler Moore Show* and *The Dick Van Dyke Show* proved a flashpoint and a flag-bearing influence to countless women who had decided in Mary Richards there was the possibility of so much more. In *You're Gonna Make It After All: The Life, Times, and Influence of Mary Tyler Moore*, Riverdale Avenue Books New York Times Bestselling Author Marc Shapiro digs deep into her much-celebrated and often turbulent life as filtered through the coming of age of women's rights led by such luminaries as Gloria Steinem and Betty Friedan and their triumphs and historical breakthroughs which were often influenced by Moore and her culturally important sitcoms. How the actress reacted to being cast as a feminist icon, her often contrary issues with the women's movement, how her greatest television hits often brought home important liberal points in a stealth

manner and her own political and social values form the backbone of a sociological political and yes traditional celebrity biography that tells more than one expected from a book on somebody the world knows so well In this thoroughly researched and documented biography readers will discover The truth behind the alleged relationship between Mary Tyler Moore and Elvis Presley What happened on the date between Mary Tyler Moore and Ed Asner Why Mary Tyler Moore s mother s alcoholism led to Moore s physical appearance How Moore got her revenge on a neighbor who molested her at age six Mary Tyler Moore was an important entertainment personality author Shapiro states But she was also so much deeper than that Her life and times are already well known I felt that putting this reluctant feminist in the ring with the coming of equal rights for women would give the picture a different and ultimately insightful twist **John McCain** Marc Shapiro,2018-09-05

There s a lot people don t know about John McCain They know the war hero the prisoner of war Those are the things that have made the headlines and the history books But there is also the John McCain working statesman who has spent two terms in the House of Representatives and six terms in the Senate going about the business of creating bills and fighting the good fight on the Senate floor for the benefit of the people and the country It is from that McCain that this book takes its cue as it ventures into the specifics of his decades as the ultimate statesman doing the country s business Written by New York Times Bestselling Author Marc Shapiro John McCain A View From The Hill delves into McCain s character demeanor his ability to craft bills and legislation that he cares about and ramrod them through the slippery slope of politics and into law Through extensive research and exclusive one on one interviews with McCain s colleagues and foes award winning journalists and in one instance the observations of a man who had a front row seat for McCain s most challenging political moment Shapiro probes McCain s ability to get along with Republicans and Democrats alike The book looks at his uncompromising willingness to fight the presidential powers that be if he did not agree with them the two rough and tumble presidential campaigns he lived through at a time when politics was entering a particularly ugly phase and the long simmering feud with current President Donald Trump which finally exploded If you think you know the life of John McCain it is time to check your preconceptions Because John McCain A View From The Hill is about to take you deep inside a place you ve never been before How a historically significant man and politician has earned his stripes as a statesman for the ages John McCain knew how to take care of business and this is how he did it **What is Hip?** Marc Shapiro,2017-04-20

The Tragically Hip the soundtrack our lives Justin Trudeau On August 20th 2016 11 7 million Canadians stood transfixed watching the final concert of The Tragically Hip and the rest of the world asked Who is this band New York Times Bestselling pop journalist Marc Shapiro answers that question in the first American book about this Canadian rock band that largely shunned the spotlight but has become the standard bearer of a resurgent sense of Canadian pride and patriotism What is Hip The Life And Times Of The Tragically Hip delves deep beneath the surface of this rock and roll story to discover how a band that spent more than three decades in the rock and roll trenches selling millions of albums and opening for the likes of The

Rolling Stones The Who and Led Zeppelin's Page Plant remained almost unknown outside their home country even as they rose to the level of rock royalty in Canada. What Is Hip: The Life And Times Of The Tragically Hip reveals the behind the scenes story of how the band took over The Horseshoe Tavern and made it their own. How a high up political personality was instrumental in landing the band their manager. The day to day often unforgiving spirit grinding days of life on the road in Canada. The ins and outs of opening for three of the biggest groups in the history of rock and roll. The Tragically Hip are not cartoon rockers. They are real men who live by their creativity and their principles. Through extensive research and a couple of well placed sources author Marc Shapiro has put together a complete look at The Tragically Hip's rise from their humble Kingston Ontario roots to endless tours to their internal struggles to keep their music fresh to the fanatic loyalty they fostered in millions of Canadian fans. These fans shed more than a few tears when it was announced that singer Gord Downie had been diagnosed with brain cancer and that The Hip were about to embark on what might be their final tour. Marc Shapiro is the author of more than 75 books. His most recent releases include Trump: This The Life And Times Of Donald Trump and Hey Joe: The Unauthorized Biography Of A Rock Classic. When he is not working which is rare he can usually be found mowing the lawn taking out the trash and walking the dog.
