Welfare And Religion In 21st Century Europe Volume 1:

Welfare and Religion in 21st Century Europe Anders Bäckström, Grace Davie, Ninna Edgardh, Per Pettersson, 2010

Historically European churches have played a large part in the provision of welfare Responsibility however has gradually shifted to the state a shift that forms an integral part of the process of secularization and one that has been readily accepted by European populations But what happens when the state itself begins to recede a process that is occurring in most if not all European societies for a wide variety of reasons The implications for welfare are considerable not least for the role of the churches which begin to resume the responsibilities previously shed but in new and different ways This book looks at the connections between religion and welfare in Europe exploring in detail eight European societies Finland Norway Sweden England Germany France Italy and Greece The different theological traditions different church state relationships and different welfare regimes are all examined The analysis is based on first hand empirical research which considers not only the changing situation on the ground but attitudes towards this within a range of different constituencies the churches local government and the general public Particular attention is paid to the significance of gender in both the process of change and in attitudes towards this Welfare and Religion in 21st Century Europe Volume 1 represents comparative research at its best and highlights key policy implications for the future A companion book Welfare and Religion in 21st Century Europe Volume 2 explores thematically the changing nature of religion and welfare and the new relationships that are emerging between the religious and the secular and between church and state in the 21st century

Welfare and Religion in 21st Century Europe, 2023 Historically European churches have played a large part in the provision of welfare Responsibility however has gradually shifted to the state a shift that forms an integral part of the process of secularization and one that has been readily accepted by European populations But what happens when the state itself begins to recede a process that is occurring in most if not all European societies for a wide variety of reasons The implications for welfare are considerable not least for the role of the churches which begin to resume the responsibilities previously shed but in new and different ways This book looks at the connections between religion and welfare in Europe exploring in detail eight European societies Finland Norway Sweden England Germany France Italy and Greece The different theological traditions different church state relationships and different welfare regimes are all examined The analysis is based on first hand empirical research which considers not only the changing situation on the ground but attitudes towards this within a range of different constituencies the churches local government and the general public Particular attention is paid to the significance of gender in both the process of change and in attitudes towards this Welfare and Religion in 21st Century Europe Volume 1 represents comparative research at its best and highlights key policy implications for the future A companion book Welfare and Religion in 21st Century Europe Volume 2 explores thematically the changing nature of religion and welfare and the new relationships that are emerging between the religious and the secular and between church and state in the 21st century *Welfare and*

Religion in 21st Century Europe Per Pettersson, 2011 This book considers the changing nature of both religion and welfare in Europe It is the second of two volumes Together they examine the function of majority churches as agents of social welfare in eight European societies Sweden Finland Norway England Germany France Italy and Greece Volume 2 explores the connections between religion and welfare from three perspectives sociology gender and theology The authors ask new questions about the religious and the secular and the implications of each for the process known as secularization Looking carefully at the gendered nature of care

Welfare and Religion in 21st Century Europe, 2010 *For the Sake of the World* Jonas Idestrom, 2010-01-01 The church exists for the sake of the world The crucial ecclesiological question that this book raises is How How does the church exist for sake of the world One can describe the theological reflections in this book as a form of concrete ecclesiology critical theological reflections on the way the church is manifested in social and historical contexts as a social body By using concepts like body queer human rights practices social process and space the manifestations of the concrete church are critically and constructively analyzed from a theological perspective The arguments in the articles were presented at a symposium in Sweden The purpose of the symposium was not to reach consensus but to stimulate creative and critical discussions concerning theology politics and the identity of the church with a focus on Church of Sweden American theologian William T Cavanaugh who has made himself known as a distinct voice in the discussion of ecclesiology and politics participated and contributes with critical and constructive reflections on the relationship between church and state This book offers important arguments and reflections into the discussion on ecclesiology and politics that has relevance far beyond the Swedish context Contributors JONAS IDESTRÖM WILLIAM T CAVANAUGH ARNE RASMUSSEN HENRIK WIDMARK GÖRAN GUNNER NINNA EDGARDH ANTJE JÄCKELÉN and OLA SIGURDSON

Oxford Textbook of Spirituality in Healthcare Mark Cobb, Christina M Puchalski, Bruce Rumbold, 2012-08-09 Spirituality and healthcare is an emerging field of research practice and policy Healthcare organisations and practitioners are therefore challenged to understand and address spirituality to develop their knowledge and implement effective policy This is the first reference text on the subject providing a comprehensive overview of key topics

The Ambivalent Impact of Religion on Human Rights Hans-Georg Ziebertz, Francesco Zaccaria, 2021-11-15 This volume presents the most recent joint study of the research group Religion and Human Rights This text is comprised of studies carried out in twelve countries and divided into three parts according to their respective tree continents Almost 10 000 youths have participated and all chapters deal with the question of whether and to what extent religious or worldview convictions hinder or favor the support of human rights Studies are comparative on multiple levels because of the many religious groups and countries The studies take into account personal religious and socio cultural differences showing the ambivalent role of religion in the striving to make the world safer more democratic just and compassionate thru human rights This text appeals to students and researchers

Social Work and Faith-based Organizations Beth R. Crisp, 2014-04-29

Faith based organizations continue to play a significant role in the provision of social work services in many countries but their role within the welfare state is often contested This text explores their various roles and relationships to social work practice includes examples from different countries and a range of religious traditions and identifies challenges and opportunities for the sector Social Work and Faith based Organizations discusses issues such as the relationship between faith based organizations and the state working with an organization s stakeholders ethical practice and dilemmas and faith based organizations as employers It also addresses areas of debate and controversy such as providing services within and for multi faith communities and tensions between professional codes of ethics and religious doctrine Accessibly written by a well known social work educator it is illustrated by numerous case studies from a range of countries including Australia the UK and the US Suitable for social work students taking community or administration courses or undertaking placements in faith based organizations this innovative book is also a valuable resource for managers and religious personnel who are responsible for the operation of faith based agencies

Lutheranism and the Nordic Spirit of Social Democracy Robert H Nelson, 2017-08-01 One man s way of thinking about God has decisively shaped the political and economic rise of Nordic social democracy 500 years ago Martin Luther s writings led to the Reformation in the Nordic countries and his values and beliefs shaped more than just the church Lutheranism is one of the most important influences on the Nordic welfare system and a general belief in social democracy Indeed Nordic social democracy itself can be seen as a modern form of religion or secular Lutheranism In Lutheranism and the Nordic Spirit of Social Democracy Robert Nelson an American observer and professor of political economy at the University of Maryland brings a fresh perspective to the interrelated questions of religion national identity and governance in the Nordic world Exploring how Lutheranism never went away as the true path to a new heaven on earth Nelson shows how the form of Lutheran Nordic religion and culture changed radically while its substance remained surprisingly unaltered

Annual Review of Political Science ,2010 **Serials in the British Library** ,2006 *Editorial Research Reports*, 1987 ,1988-02 **Yearbook of International Organizations 2014-2015 (Volume 4)** Union Of International Associations, Union of International Associations, 2014-09-17 The Yearbook of International Organizations provides the most extensive coverage of non profit international organizations currently available Detailed profiles of international non governmental and intergovernmental organizations IGO collected and documented by the Union of International Associations can be found here In addition to the history aims and activities of international organizations with their events publications and contact details the volumes of the Yearbook include networks between associations biographies of key people involved and extensive statistical data Providing both an international organizations and research bibliography Volume 4 cites over 46 000 publications and information resources supplied by international organizations and provides nearly 18 000 research citations under 40 subject headings This volume also includes a research bibliography on international organizations and transnational associations
