Study Guides Louis Farrakhan,1986     *Educational Leadership and Louis Farrakhan* Abul Pitre,2017-02-08 Drawing from Louis Farrakhan's decades of teaching on education and leadership this volume brings his ideas into the educational leadership discourse. It explores through a critical framework the purpose of education disclosing how those in powerful positions have shaped educational policy to use schools and universities for their benefit. The book inspires educational leaders to serve the best interest of those under their leadership. In a spiritual tone it discusses the purpose of education leadership as love servant leadership transformative leadership and futuristic leadership. In the 21st century leadership for social justice has become a major theme and in this volume Louis Farrakhan's many years of working for equal justice on behalf of historically underserved groups is applied to the practice of educational leadership in K 12 and higher education.

*Redemptive Son* Abdul Muhammad,2012-12-27 Redemptive Son is a heartbreakingly beautiful book that chronicles the aspirations of a young man thirsty to share his story compassion and experiences with humanity. This book is thought provoking and at times painful but a glimpse into the mind of an author committed to saving lives even his own. We often find our lives chaotic disorganized and bitter because circumstances have beset us. However redemptive son helps many by offering advice and ways on how to confront adversity and trials by embracing the future. It's this author's hope that each reader walks away inspired renewed and armed up for their future. Your purpose for living is greater than your struggle and Redemptive Son says yes you're great. If ever there was one who understands the plight of society in the urban community especially our black male Abdul is such. A story of love loss and amazing testimony of redemptive power. He truly is the redemptive son. The deeper you get into the story you see a boy grow into a man. Towanda McEachern Author of *A Life Recycled*     **Elijah**

**Muhammad and Supreme Literacy** Lydia Magras Muhammad,2022-03-08 Elijah Muhammad and the Supreme of Literacy explores how Elijah Muhammad framed the term literacy as contrasted with its generally known definitions and applications. The text frames a construct for understanding why Elijah Muhammad considered the science of literacy essential to the success of the Black man and woman in America specifically and people in general. It outlines the scriptural foundations of Muhammad's teachings drawn from both Bible and Qur'an. A detailed review of the course of study prescribed for his followers supplies Elijah Muhammad's the unique perspective on both literacy and language. Examples of his study curricula are offered. A brief history of Muhammad's own educational process is presented with an emphasis on the pedagogy of literacy as practiced by Muhammad's teacher W D Fard. Material on the early educational focus of The Nation of Islam is introduced. And finally general commentary on the teachings is made known through the lenses of three men in their role as teachers W D Fard teacher of Elijah Muhammad Muhammad himself and Minister Louis Farrakhan student of Elijah Muhammad     **On Military Science: A Guide to Understanding the Meaning of F.O.I.
