**Study Guide to China** Thomas M. Buoye, 2003      **A Study Guide to the Chinese: Adapting the Past, Facing the Future** Thomas M. Buoye, 1992 The textbook *The Chinese Adapting the Past Facing the Future* is a massive book that collects diverse materials and often differing opinions presenting a challenge to students accustomed to more conventional texts This Study Guide has been designed to help two kinds of students meet this challenge For those who use *The Chinese* as a stand alone classroom text the Study Guide will help them integrate and assimilate the diverse materials and opinions they encounter in its pages For other nontraditional students this guide performs the additional service of coordinating the readings with the twenty six half hour video segments of *The Chinese* telecourse package Students of both kinds will find the Study Guide helpful as they seek to consolidate their understanding of the many complex issues they encounter v      Study Guide to China Thomas Buoye, Thomas M. Buoye, 2003 *China Adapting the Past Confronting the Future* combines original essays by leading experts with excerpts from primary sources the latest scholarship Chinese literature and Western media reports to provide a comprehensive textbook on contemporary China Completely updated *China Adapting the Past Confronting the Future* is the latest in a series of classroom units on China from the Center of Chinese Studies at The University of Michigan It is not only ideal for courses on contemporary China but also an excellent supplement for courses in area studies international affairs and economics and women s studies Each section in addition to essay and excerpts also includes a bibliography of additional topical works as well as suggestions for complementary video and internet teaching resources      Singapore Ethnic Mosaic, The: Many Cultures, One People Mathews Mathew, 2017-10-31 Far from being a melting pot multi racial Singapore prides itself on the richness of its ethnic communities and cultures This volume provides an updated account of the heterogeneity within each of the main communities the Chinese Malay Indian Eurasian and Others It also documents the ethnic cultures of these communities by discussing their histories celebrations cultural symbols life cycle rituals cultural icons and attempts to preserve culture While chapters are written by scholars drawing insight from a variety of sources ranging from academic publications to discussions with community experts it is written in an accessible way This volume seeks to increase intercultural understanding through presenting ample insights into the cultural beliefs and practices of the different ethnic communities While this book is about diversity a closer examination of the peoples and cultures of Singapore demonstrates the many similarities communities share in this Singaporean space      **Education about Asia** , 2003      **Fortunate Sons** Liel Leibovitz, Matthew Miller, 2012-06-25 With its surging storyline extraordinary events and depth of character this gripping tale of 120 Chinese boys sent to America reads more like a novel than an obscure slice of history Publishers Weekly starred review In 1872 China ravaged by poverty population growth and aggressive European armies sent 120 boys to America to learn the secrets of Western innovation They studied at New England s finest schools and were driven by a desire for progress and reform When anti Chinese fervor forced them back home the young men had to

overcome a suspicious imperial court and a country deeply resistant to change in technology and culture Fortunate Sons tells a remarkable story weaving together the dramas of personal lives with the fascinating tale of a nation's endeavor to become a world power

**Manslaughter, Markets, and Moral Economy** Thomas M. Buoye, 2006-11-02 In this book Thomas Buoye examines the impact of large scale economic change on social conflict in eighteenth century China He draws upon a large body of actual documented homicide cases originating in property disputes to recreate the social tensions of rural China during the Qianlong reign 1736-1795 The development of property rights a process that had begun in the Ming dynasty was accompanied by other changes that fostered disruption and conflict including an explosion in the population growth and the increasing strain on land and resources and increasing commercialization in agriculture Buoye challenges the markets and moral economy theories of economic behaviour Applying the theories of Douglass North for the first time to this subject he uses an institutional framework to explain seemingly irrational economic choices Buoye examines demographic and technological factors ideology and political and economic institutions in rural China to understand the link between economic and social change

*Contract and Property in Early Modern China* Madeleine Zelin, 2004-02-18 Providing a new perspective on economic and legal institutions particularly on contract and property in Qing and Republican history this volume provides case studies to explicate how these institutions worked while situating them firmly in their broader social context
