Study Guide Monkeynotes:

Reading Amy Tan Lan Dong, 2009-06-08 This essential discussion of Amy Tan's life and works is a necessity for high school students and an enriching supplement for book club members. A tour de force in Asian American writing, Amy Tan has created works that are essential to high school and undergraduate literature classes and are often book club selections. Reading Amy Tan is a handy resource that offers both groups plot summaries of five of Tan's novels as well as character and thematic analysis. The handbook also provides an overview of Tan's life and discusses how she emerged onto the scene as a novelist. Tan's typical themes including Asian American issues and mother-daughter relationships are examined in relation to today's current events and pop culture. Readers will also discover how and where they can find Tan on the Internet and how the media has received her works. The What Do I Read Next chapter will help readers find other authors and works that deal with similar subjects. This handbook is an indispensable tool for both high school and public libraries.

Once Again to Zelda Marlene Wagman-Geller, 2008-11-04 A fascinating look at the stories behind the dedications of 50 literary classics. Mary Shelley dedicated Frankenstein to her father, her greatest champion Charlotte Brontë dedicated Jane Eyre to William Makepeace Thackeray for his enthusiastic review of the book's first edition. Dostoyevsky dedicated The Brothers Karamazov to his typist-turned-lover Anna Grigoyevna. And as this collection's title indicates, F. Scott Fitzgerald dedicated his masterpiece The Great Gatsby to his wife Zelda. Often overlooked, a novel's dedication can say much about an author and his or her relationship to the person for whom the book was consecrated. Once Again to Zelda explores the dedications in fifty iconic books that are an intrinsic part of both literary and pop culture, shedding light on the author's psyche as well as the social and historic context in which the book was first published.

The Plagiarism Handbook Robert A. Harris, 2001 A guidebook for teachers and tutors on detecting and handling plagiarism, which discusses administrative issues and constructing assignments to prevent plagiarism. Provides Web addresses for term paper mills and quizzes and activities that teach about plagiarism.

Homeschool Your Child for Free Laura Maery Gold, Joan M. Zielinski, 2000 More than 1200 smart, effective and practical resources for home education on the Internet and beyond.

Joseph Conrad's Heart of Darkness D.C.R.A. Goonetilleke, 2009-03-23 Joseph Conrad's novella Heart of Darkness has fascinated critics and readers alike, engaging them in highly controversial debate as it deals with fundamental issues of good and evil, civilisation, race, love and heroism. This classic tale transcends the boundaries of time and place and has inspired famous film and television adaptations, emphasising the cultural significance and continued relevance of the book. This guide to Conrad's captivating novel offers an accessible introduction to the text and contexts of Heart of Darkness, a critical history surveying the many interpretations of the text from publication to the present, a selection of new essays and reprinted critical essays on Heart of Darkness by Ian Watt, Linda Dryden, Ruth Nadelhaft, J. Hillis Miller and Peter Brooks, providing a range of perspectives on the novel and extending the coverage of key critical approaches identified in the survey section.

references between sections of the guide in order to suggest links between texts contexts and criticism suggestions for further reading Part of the Routledge Guides to Literature series this volume is essential reading for all those beginning detailed study of Heart of Darkness and seeking not only a guide to the novel but a way through the wealth of contextual and critical material that surrounds Conrad s text The Well-Trained Mind Susan Wise Bauer,Jessie Wise,2009-05-04

Durability and Change W. E. Krumbein,1994 The interaction of living materials with inanimate materials via physical and chemical reactions poses an acute danger for the longevity of our cultural heritage as long as it exists in the material form and not in that of the invincible word Thus our concern for cultural heritage must reach the same level as our current concern for the conservation of the natural environment both through public education and through the development of guidelines for scientists restorers and conservators To this end this volume explores the status of scientific and humanistic approaches to our cultural heritage and the disequilibria in research and related disciplines Particular areas discussed include the processes of aging and decay the durability of material objects the acceleration of the patina and decay processes in cultural materials through environmental and biological hazards and the techniques that are both available now and under development for protecting conserving and restoring our cultural heritage This volume is a multidisciplinary attempt to set up dialogue between those who do research and those who practice conservation and restoration It will be of interest to anyone interested in cultural heritage and in particular to those art historians archeologists architects communication scientists chemists biologists mineralogists and physicists who are also seeking to bridge this gap Goal of this Dahlem Workshop to evaluate processes that contribute to change in objects cultural materials and artifacts and to find appropriate ways of conserving them **Museum Languages** Gaynor Kavanagh,1991 The business of museums is to explain the past by showing and explaining material culture objects things to visitors Much effort has been devoted to improving the presentation of the objects themselves and even more to explaining their importance their context and their relevance This book is a critical examination of the techniques used today their success or failure and the connections between recent work

in museums and contemporary studies of text meaning signs and symbols **Pastimes** Shana Julia Brown,2003
