Hartford, CT 06114

Dear Mr. Smith:

July 5, 2023

VLink's reputation for excellence, backed by 17 years of experience, a clientele of over 200 businesses, and multiple industry recognitions, is truly admirable. The customer-centric approach VLink keenly adapts resonates with my philosophy as an inspiring web developer. With skills in WordPress, UI/UX design, and more, I am eager to leverage budding talents to help VLink serve a broader range of businesses.

Recently, I worked as an intern at Red Wall Marketing. Collaborating cross-departmentally with a tight-knit team allowed us to produce high-caliber websites that were visually striking and highly functional. In one project, I actively contributed to a team that redesigned a local bakery's website, resulting in a 19% increase in online orders and an 8.9% uptick in overall customer satisfaction ratings.

Web Design is not only about aesthetics but also about creating a seamless user experience. As part of my final university project, I built a fully responsive WordPress site for a local nonprofit organization that streamlined its content and volunteer management. This overhaul saw an increase of 128 new sign-ups in their first month after launch and a reduction in administrative work by 7%.

For VLink, I am eager to apply my creative expertise and technical skills in web development to make substantial contributions to your projects. I genuinely believe in VLink's mission of delivering top IT services, and I am confident that my ability to create engaging, performance-driven websites perfectly aligns with that. Thank you very much for considering my application. I am eager to discuss further the potential of us innovating together to create better online experiences for your diverse clientele.

Sincerely,

**Luca Bianchi**
