The Age of Decentralization Sam Ghosh, Subhasis Gorai, 2024-10-15 The Age of Decentralization talks about various decentralization technologies including Web3 decentralized identity and decentralized storage and how they can be incorporated in traditional tech architectures to improve technical and business performance In this book the authors take us on a journey through the tech landscape exploring how decentralized technologies including Web3 are on the verge of becoming mainstream and offer a practical roadmap for understanding and embracing this shift Web2 brought us the great

centralization by centralizing not only data but also business processes blurring the industry boundaries So payment platforms started offering e commerce services and ride hailing services started delivering food Scale became the most effective moat But at the same time these huge platforms became a magnet for security threats and started violating user privacy rights and consumer rights The authors argue that the technological regulatory and social landscape is ready for the next evolution of technology systems as decentralization technologies get incorporated into traditional architectures This book serves as a guide for readers to understand the fundamentals of Web3 along with other decentralized technologies and creates a framework for incorporating them into traditional architectures At the same time the authors explore the organization level as well as the macro implications of decentralized technologies

20 Seasons: Broadway Musicals of the 21st Century Amy S. Osatinski, 2023-08-03 20 Seasons Broadway Musicals of the 21st Century catalogues categorizes and analyzes the 269 musicals that opened on Broadway from the 2000 2001 season through the 2019 2020 season This book is the first to comprehensively examine the musicals that premiered on Broadway during this important historical period which was bookended by the 9 11 terrorist attacks on one end and the Coronavirus pandemic on the other It begins by exploring the historical context for the first 20 years of the 21st century and how this impacted American culture and theatre Rather than chronologically the musicals are then organized into categories based on their source material and whether they were original musicals or revivals painting a detailed picture of the Broadway musical in first 20 years of the 21st century Jukebox musicals screen to stage musicals revivals and other original musicals are all covered and each chapter ends with reading guides and discussion prompts The book not only discusses what was produced but by whom uncovering the stark lack of representation for women and artists of color on Broadway musical creative and design teams Additionally the last chapter discusses the COVID 19 pandemic the Broadway shutdown and what happened to the Broadway musical during the shutdown including the response to the Black Lives Matter movement in the summer of 2020 20 Seasons Broadway Musicals of the 21st Century will appeal to fans and scholars of musical theatre as well as students of Musical Theatre Musical Theatre History American Studies and Pop Culture Studies
