Million Dollar Weekend Noah Kagan, 2024-01-30 AN INSTANT NEW YORK TIMES BESTSELLER The founder and CEO of AppSumo.com Noah Kagan knows how to launch a seven figure business in a single weekend and he's done it seven times. *Million Dollar Weekend* will show you how. Now is the best time in history for entrepreneurship. More than ever the world needs new businesses and it's cheaper than ever to create them. And let's be frank most day jobs suck. People spend too much time doing too much work for too little money and they know it. They want out. But if the barriers to starting a business are getting lower and lower why is it SO HARD TO DO for SO MANY PEOPLE? Why are there so many wannapreneurs playing at business on social media and so few entrepreneurs actually running them? Ask yourself Do you want to work for yourself or start a side hustle but it all feels too risky and unpredictable. Have you spent time or money on things like websites and logos but still have no customers? Are you brainstorming endlessly and waiting for the perfect idea to strike? All those frequent excuses are solvable. The plan is simple so simple it can be completed in a single weekend but so powerful that Kagan has used it to build seven businesses now worth more than 1 million. Find your Creator's Courage to overcome your fear and have fun. Use the Million Dollar Weekend Process to get customers EXCITED to give you money. Automate your business so it can grow while you sleep. By Monday you'll have a market tested scalable business idea and you'll be a entrepreneur on the path to seven figures. *Million Dollar Weekend* is the path to creating your dream life and attaining financial freedom.
