Million Dollar Weekend will show you how. Now is the best time in history for entrepreneurship. More than ever the world needs new businesses and it's cheaper than ever to create them. And let's be frank most day jobs suck. People spend too much time doing too much work for too little money and they know it. They want out. But if the barriers to starting a business are getting lower and lower why is it SO HARD TO DO for SO MANY PEOPLE? Why are there so many wannabes playing at business on social media and so few entrepreneurs actually running them? Ask yourself Do you want to work for yourself or start a side hustle but it all feels too risky and unpredictable? Have you spent time or money on things like websites and logos but still have no customers? Are you brainstorming endlessly and waiting for the perfect idea to strike? All those Frequent Excuses are solvable. The plan is simple so simple it can be completed in a single weekend but so powerful that Kagan has used it to build seven businesses now worth more than 1 million. Find your Creator's Courage to overcome your fear and have fun. Use the Million Dollar Weekend Process to get customers EXCITED to give you money. Automate your business so it can grow while you sleep. By Monday you'll have a market tested scalable business idea and you'll be an entrepreneur on the path to seven figures. Million Dollar Weekend is the path to creating your dream life and attaining financial freedom. LFG

*Baronia Anglica* Thomas Madox, 1736     **Youth Entrepreneurship** Chris Ehiobuche, Chizoba Madueke, 2017-02-10 The challenges and opportunities facing the Nigerian youths demand rethinking of new ways of doing things. Youth unemployment and underemployment are at a record high. More than ever the Nigerian youths are in dire need of finding other avenues to explore in pursuit of life endeavors. Youth employment, underemployment, and unemployment are serious concerns for our society, civilization, and the nation. Ehiobuche and Madueke took a different approach to discussing and presenting a practical approach to youth entrepreneurship from the notion of a shared responsibility for the change of mindset from falling into the victims theory dimensions to intelligent ventures and resilience. Their model presents insight on how a paradigm shift among the youths and the society in general from job search to business development may well lead to entrepreneurs and self-productive citizens. The authors hope to inspire, inform, and encourage today's youths to become tomorrow's entrepreneurs, leaders, and good citizens. Making the transition from seeking employment, unemployment, or underemployment to self-employment entrepreneurship is the primary purpose of this book. The topics include the following: Conquering personal and cultural roadblocks to entrepreneurship, Shifting mental and physical focus from employee to employer, Avoiding common pitfalls in starting and running a sustainable small business, Making the best out of being a youth. The authors urge the Nigerian youths to avoid falling into a victim mentality and start their paradigm shift into the mindsets of entrepreneurs.     **The eBay Marketing Bible** Clifford R.
