## Romantasy S Review:

**John's Yearning (Scanguards Vampires #12)** Tina Folsom, 2017-08-30 Haunted by the tragic loss of his blood bonded mate and unborn child John Grant a Scanguards vampire bodyguard lives a solitary existence meticulously avoiding any connection that could shatter his heart again. But when Savannah Rice a desperate single mother pleads for his help to find her kidnapped daughter Buffy John can't resist the raw vulnerability and dormant fire he sees in her eyes. Thrown into a perilous race against time they uncover a sinister child trafficking ring stretching from San Francisco to the dark corners of Russia. As they navigate this treacherous world a forbidden love ignites between them a solace in the face of unimaginable evil. But with passion comes pain they're forced to confront their shared guilt and deepest fears while battling a ruthless villain to rescue Buffy and the other innocent girls. But even if they dismantle the monstrous trafficking ring and save the children a final terrifying question remains: Can Savannah endure the ultimate truth about John that he is a vampire who craves her body and her blood? Lara Adrian New York Times Bestselling Author of the *Midnight Breed* series I'm addicted to Tina Folsom's books. The *Scanguards* series is one of the hottest things to happen to vampire romance. If you love scorching fast-paced reads don't miss this thrilling series.

**ABOUT THE SERIES:** The *Scanguards Vampires* series is full of fast-paced action, scorching love scenes, witty dialogue, and strong heroes and heroines. Vampire Samson Woodford lives in San Francisco and owns a security bodyguard company, Scanguards, which employs both vampires and humans. And eventually some witches. Throw in a few immortal guardians and demons later in the series and you'll get the drift. Each book can be read as a standalone and always centers around a new couple finding love, but the series is more enjoyable when read in order. And of course, there are always a few running jokes you'll understand when you meet Wesley, a wannabe witch. Enjoy:

Kain, 2009-05-11 From the Prologue of *Sweet Tempo* Call me Stephen Please Mom and dad call me Little Stevie an embarrassment made worse by the fact that there is no Big Stevie in our family unless you consider Uncle Steve who we haven't seen since my first communion My dad Leopold by the way named me after one of his army buddies who died in the Pacific campaign of WWII I think he wanted me to be Little Stevie reincarnated or something I often disappointed him It's just as well that he didn't call

me Little Leo But it's having the Little attached to me all my life that gave me twitches I always wondered when I would grow up I thought it might happen when I first went to college but my mom's letters and phone calls spread the name through all the dorms and hallways It took a major decision the only one at that for me to step out of Little Stevie's pantaloons and into gabardine trousers of adulthood although I really don't know what gabardine is for I still wear denim When I decided that I had enough of college and wanted to travel they surprised me by not arguing At that point I wasn't sure if I had made the decision or they had but once they set me free I was cornered into going Decisions do not come easily to Little Stevie so it was with great ironies and twists of fate that this decision would lead me to this My trip began as an adventure and this book a travelogue But as Providence would have it it soon became a romance and then some twisty sort of unromance then I wish it never happened a tragedy The reader I hope sees a comedy in tragic guise the irony is there to taste Much that is written here need not have been written my preference is that none of it occurred At this point much seems like a nightmare within a dream and in fact the dreams I had while on this trip were as real as sin You'll see There are times that I wonder if it happened at all But the story here needs to be told if only to honor the memory of love lost Perhaps the story will entertain but it also serves as therapy and treatment for the tragic minded and chronically romantic I wonder now if this is what it means to grow up
