Streaming Music, Streaming Capital Eric Drott,2023-12-29 Eric Drott undertakes a wide ranging study of the political economy of music streaming to engage in a broader reconsideration of music s complex relation to capitalism Creating the Reflective Habit Michelle Lucas,2023-06-12 Reflection is a critical skill which can enhance the quality of our professional and domestic lives Yet in a world of busy reflective practice often falls to the bottom of the list We are not alone in the struggle to use the pause button well This book is here to help The book offers a practical toolkit which shows you how to create a sustainable reflective habit We begin by exploring the meaning and territory of reflection drawing from the literature to provide context and understanding The following chapters contain prompts and exercises which will appeal to different processing preferences The intention throughout this book is firstly to show that reflection means so much more than journaling and secondly to encourage an appetite for experimentation that results in a desire to reflect on a regular and sustainable basis We invite you into an immersive experience playing with the multitude of reflective possibilities on offer It is only through repeated trial and error enlightenment and frustration that we will come to create our own reflective habit Written by a coach and coach supervisor this practical book is an invaluable resource for helping practitioners but will also be immensely helpful to anyone and everyone who wants to get their pause button in good working order The book also provides Learning Development professionals with a suite of tools and materials to help build the reflective practice skill set in their organisation

Devaluing Public Apologies in the Age of Social Media Joshua M. Bentley,2024-12-15 In *Devaluing Public Apologies in the Age of Social Media* Joshua M Bentley argues that apologies are losing their meaning in American society as organizations and public figures treat them as strategical tools without considering their ethical implications As the demand for apologies in the age of social media continues to increase exponentially Bentley posits the apologies that are given carry less and less weight to the public This book examines how controversial figures like Donald Trump and Joe Rogan as well as brands like Google and Bud Light have addressed public controversies both effectively and ineffectively illustrating how social media polarization and cancel culture are changing the way apologies are given and received If apologies are to serve their historical role of resolving conflict peacefully Bentley argues they must be placed back into their proper ethical context This book offers insight on how individuals and organizations can ensure their apologies reflect their authentic values Scholars of communication ethics media studies political science and public relations will find it especially useful

of acid washed jeans to wear to when the perfect girl sat next to him in English class Back to 1986 Fired up by his new mission Peter packs up his life turns off his cellphone and moves back into his teenage bedroom He lets his hair grow long stuffs himself into those same acid washed jeans and resolutely ignores everything about the world that didn't exist in the mid eighties Throwing himself into the project of restoring his small town's old movie theatre he hides his true objective from everyone to get a second chance with the first and only true love of his life that perfect girl beside him in English class Jennifer But time travel is never without its complications especially when everyone else around you remains in the present When even his perfect 1986 starts to show its cracks Peter is finally forced to answer the question can you ever truly go back

The Basic Practice of Statistics David S. Moore, William I. Notz, Michael A. Fligner, 2015-01-09 David Moore's data analysis conceptual approach which revolutionized the introductory statistics textbook moves students away from formulas and number crunching focusing instead on how working statisticians in a variety of fields collect and analyze data and use the results to tackle real world problems The clear direct way of emphasizing the course's relevance and confronting students' math anxieties is at the heart of the bestselling The Basic Practice of Statistics BPS It is also the ideal approach for taking full advantage of the powerful statistical tools and interactive learning features in this new edition's text media package Now more than ever BPS is ready to help students move from reading about statistical practice to practicing statistics themselves
