Study Guide for the Economics of Money, Banking, and Financial Markets and the Economics of Money, Banking, and Financial Markets Business School Edition Davide S. Hakes, Edward Gamber, Aaron L. Jackson, Frederic S. Mishkin, 2012-04-18
This product accompanies Mishkin Economics of Money Banking and Financial Markets The Business School Edition International Edition. 3. The Economics of Money Banking and Financial Markets set the standard for money and banking courses when it published in its first edition and it continues to be the worldwide market leader. For professors who teach with less emphasis on monetary theory and prefer to focus more time on financial institutions, the Business School Edition is an ideal alternative. By applying a unified analytical framework to the models, Mishkin makes theory intuitive for students and the rich array of current real world events keeps students motivated. Authoritative, comprehensive, and flexible, the text is easy to integrate into a wide variety of syllabi and its ancillaries provide complete support when teaching the course. This edition continues to expand on the discussion of the current financial crisis.
