The Risen Christ (Lifebuilder Study Guides) Bill Weimer,2019-03-21 Jesus words from the cross are not Jesus last words on earth Jesus appeared to his fearful and questioning disciples encouraged them and gave them his final instructions after his resurrection from the dead In various settings and at different times Jesus interacted with many of his followers to show them he was alive His post resurrection dialogues with these women and men truly are Jesus last words You may have questions or doubts about faith You may have discussed spiritual topics or talked with others about Jesus You may sometimes feel religiously locked into past concepts or socially locked out from people even embarrassed or fearful about how others perceive you and your spiritual beliefs or questions You may wonder Can Jesus really impact my life Through these Bible studies you will meet the risen Jesus Christ and hear his words May he encounter you in your life situations encourage your faith and trust in him and excite you about engaging others in discussions about Jesus

**The God**

**Who Believes** Christian D. Kettler,2005-09-01 How does one deal with doubt Are faith and doubt irreconcilable Does one's understanding of God affect the answers to these questions Christian Kettler investigates these questions from a christological perspective drawing implications from the Scottish theologian T F Torrance and his doctrine of the vicarious humanity of Christ If we take the humanity of Christ seriously should we not speak of the faith of Jesus as a vicarious faith believing for us and in our place when it is difficult if not impossible to believe How Christians know God Jesus Knows God for Us and in Our Place who God is Who is the God Whom Jesus Knows and how to believe in God in a world of suffering and evil Providence Evil Suffering and the God Who Believes receive new insight in light of this christological exploration Wendell Berry's poignant novel of a humble country barber Jayber Crow adds an incarnational context to a discussion with important pastoral and existential dimensions In the vicarious faith of Christ we are not left as James Torrance cautions us to be thrown back upon ourselves but called to participate by the Spirit in the faith of Jesus

Theology for Non-Theologians James

Cantelon,2024-08-20 How can I know God exists Are there different gods What does God mean to me in everyday life Throughout his fifty year ministry James Cantelon has fielded questions like these about the nature of God and the relationship between God and believers and nonbelievers alike They are deep and good questions and to help people understand God he felt compelled to write a book that discusses theology in a step by step and accessible way Here is theology as you have seldom seen it warm informal even humorous but always respectful and above all true to Holy Scripture In Theology for Non Theologians Cantelon concentrates on God and his word the nature existence and works of God and God s revelation of himself in the Bible James Cantelon has accomplished the near impossible making theology engaging understandable and important in everyday matters
