Use this logo in any of its three forms for most printed marketing and communications materials as well as television, Web and email.

Classic logo family

The classic logo should be used in disaster situations, corporate materials, exterior building signage or when the marketing-oriented button logo is not appropriate.

Flat disc logo family

Use the flat disc logo when you have a dark background or printing restrictions preclude using the button logo. (Note that the white circle behind the cross must be present, as this is not suitable for white backgrounds).
