Subaru Ej20 25 Engines Performance:

Subaru EJ20/25 Engines Robert Bowen, 2015-04 There was a time in the sport compact scene when Honda ruled the streets Civics were easy to afford easy to modify and in plentiful supply This was to some extent before the import manufacturers figured out that a large group of young automotive enthusiasts wanted more from their cars Unfortunately for Honda they were not the first to figure that out and other manufacturers beat them to the punch the most popular among them from a performance standpoint was Subaru Popular for their rally influence all wheel drive and turbocharged engines that made more horsepower stock than heavily modified Hondas the Subaru WRX and STI models suddenly became king in the sport compact culture The most popular models were the turbocharged models of course and Subaru EJ20 25 Engines is all about wringing the most performance out of those engines Detailed information includes coverage of simple bolt on modifications turbo systems intercoolers intake and exhaust systems fuel injection modifications cylinder heads rotating assembly critical ECM ECM tuning and more WRX and STI models are still at the forefront of sport compact technology and their following has never been stronger This all inclusive guide will help you get the most out of your turbocharged Subaru and will be a valuable edition to your performance library

On a Global Mission: The Automobiles of General Motors International Volume 3 Louis F. Fourie, 2016-12-27 Volume One traces the history of Opel and Vauxhall separately from inception through to the 1970s and thereafter collectively to 2015 Special attention is devoted to examining innovative engineering features and the role Opel has taken of providing global platforms for GM Each model is examined individually and supplemented by exhaustive supporting specification tables The fascinating history of Saab and Lotus begins with their humble beginnings and examines each model in detail and looks at why these unusual marques came under the GM Banner Included is a penetrating review of Saab through to its unfortunate demise Volume Two examines unique models and variations of Chevrolet and Buick manufactured in the Southern Hemisphere and Asia but never offered in North America Daewoo Wuling and Baojun are other Asian brands covered in detail This volume concludes with recording the remarkable early success of Holden and its continued independence through to today Volume Three covers the smaller assembly operations around the world and the evolution of GM's export operations A brief history of Isuzu Subaru and Suzuki looks at the three minority interests GM held in Asia The GM North American model specifications are the most comprehensive to be found in a single book Global and regional sales statistics are included GM executives and management from around the globe are listed with the roles they held An index ensures that these volumes serve as the ideal reference source on GM
